Subject: FW: Agreement and RFP #24P-007: Atlantic Pipe Services, LLC

Good afternoon.

I am writing today regarding the captioned subject RFP/Agreement (Contract) awarded to Atlantic Pipe Services, LLC (APS), 1420 Martin Luther King, Jr. Blvd, Sanford, FL on, or about 10

April 2024. This Contract has been presented to the City of Clearwater by a representative of APS as being able to be used as a “piggyback” contract for the City of Clearwater for the services contained in the Contract at the unit rates listed therein.

It is my understanding that unless a contract includes express consent that the Contract may be used for the purposes of “piggybacking”, written permission is required to be provided by the contract holder (The Villages) before the Contract may be used for the purposes of “piggybacking”.

It is for this express reason that I am writing today. May the City of Clearwater use the captioned Contract awarded by The Villages to Atlantic Pipe Services for the purposes of “piggybacking” for the period of time that the contract is active ? As written, the Contract is valid thru 09/30/2026, with the option to renew for one, two-year period, which would extend the expiry date to 09/30/2028.

I look forward to your confirmation that the Contract may be used to “piggyback” while it is an active contract for the Villages.

My sincere thanks.

Warmly,

ew
