Good afternoon.

I am writing today regarding the captioned subject Master Agreements awarded to Atlantic Pipe Services, LLC (APS), 1420 Martin Luther King, Jr. Blvd, Sanford, FL on, or about 1 November 2024. These Agreements have been presented to the City of Clearwater by a representative of APS as being able to be used as a “piggyback” contracts for the City of Clearwater for the services contained in the Agreements at the unit rates listed therein.

It is my understanding that unless a contract includes express consent language that the document may be used for the purposes of “piggybacking”, written permission is required to be provided by the contract holder, Volusia County, before the contract may be used for the purposes of “piggybacking”.

It is for this express reason that I am writing today. May the City of Clearwater use the captioned Master Agreements awarded by Volusia County to Atlantic Pipe Services for the purposes of “piggybacking” for the period of time that the contract is active ? As written, the Agreements are valid thru 08/02/2025 and 08/11/2026 respectively.

Please advice if these may be used as a “piggyback”, and if it is anticipated if the Master Agreement expiry dates will be extended, or if new Master Agreements are likely to be issued to this Vendor.

I look forward to your response regarding being able to use thesesto “piggyback”, and regarding the expiry date and possible extension.

My sincere thanks.

Warmly,

ew
