

LOCATION MAP

This aerial 3D rendering illustrates a waterfront development project. The scene features a large body of water in the foreground and middle ground. A prominent white sailboat is visible in the lower-left corner. A long, narrow pier or dock extends from the land into the water, with a yellow boat moored at it. To the left of the pier, there is a small, landscaped island with a gazebo and palm trees. The land area is characterized by a mix of green spaces with palm trees, paved walkways, and parking lots filled with various cars. Several white buildings are scattered throughout the development. Four specific locations are highlighted with white circular markers and black arrows: 'A' points to a building in the upper-right parking area; 'B' points to the gazebo on the small island; 'C' points to the yellow boat at the pier; and 'D' points to a small boat moored at a dock on the right side of the image.

A - PICNIC AREA

This architectural rendering depicts a park picnic area. In the foreground, a paved road curves along a green lawn. A large, mature tree stands prominently on the right, casting a shadow over a picnic table where a person is seated. To the left, a white pickup truck is parked near a red car. In the background, a playground with blue and white equipment is visible, with several people walking or playing. The scene is set against a clear blue sky and a distant shoreline.

B - OBSERVATION TOWER (UNDER SEPARATE CONTRACT)

 An architectural rendering of a waterfront promenade. In the foreground, a wide, light-colored paved path runs along a green lawn. To the left, a large, square observation tower with a tiled roof and a wooden deck is situated. A wide staircase leads up to the tower's deck, where several people are standing. Palm trees are planted around the tower and along the path. In the background, a parking lot with several cars is visible. To the right, a body of water is bordered by a low wall and a paved walkway. A small boat is docked at a pier on the right. The sky is clear and blue.

C - FLOATING DOCKS (UNDER SEPARATE CONTRACT)

D - WATERFRONT PROMENADE

This rendering shows the Waterfront Promenade, a paved walkway lined with palm trees. A blue canopy is visible on the right side of the walkway. The area is adjacent to a body of water with a dock and boats. In the background, there is a parking lot with various vehicles, including cars, trucks, and a trailer. The scene is set against a clear blue sky.
