WHEREAS, as the result of this Agreement the Grantee has been determined to be a subrecipient of federal financial assistance from the U.S. Fish and Wildlife Service.

NOW, THEREFORE, in consideration of the promises and the mutual benefits to be derived herefrom, the Department and the Grantee do hereby agree as follows:

1. The Agreement shall be performed in accordance with the Federal Clean Vessel Act Grant Program Guidelines (50 CFR Parts 80 and 85), which are hereby incorporated by reference as if fully set forth herein.
2. The Grantee agrees to conduct the project known as the Clean Vessel Act Grant; CVA15-760, City of Clearwater dba Clearwater Beach Marina, in accordance with the terms and conditions set forth in this Agreement, the **Scope of Work and Conditions**, provided as **Attachment A**, and all exhibits and attachments referenced herein and made a part hereof.
3. By executing this Agreement, the Department certifies that a site visit has been conducted by Department personnel to verify and document that the project activities and location of the work described in **Attachment A** meet the categorical exclusion criteria under the National Environmental Policy Act (NEPA) and that activities conducted as a result of this Agreement will have no impact on any species listed in the NEPA criteria. The Department will maintain the site visit documentation in its files in Tallahassee in accordance with the conditions of the Department's source grant agreement with the U.S. Fish and Wildlife Service.
4.
 - A. This Agreement shall begin upon execution by both parties and remain in effect until May 31, 2017, inclusive. This Agreement may be amended to provide additional services if additional funding is made available by the U.S. Fish and Wildlife Service and/or the Legislature.
 - B. The Grantee may claim allowable project expenditures made on or after the date of execution for purposes of meeting its match requirement identified in paragraph 5.D.
5.
 - A. As consideration for the services rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis up to a maximum of \$12,003.57 towards the Total Project Cost as described in **Attachment A, Scope of Work and Conditions**. This Agreement may be amended to provide for additional services if additional funding is made available by the U.S. Fish and Wildlife Service and/or the Florida Legislature.
 - B. The Grantee shall be reimbursed on a cost reimbursement basis for all eligible project costs upon the completion, submittal and approval of deliverables identified in **Attachment A**, in accordance

with the schedule therein. Costs directly associated with the proper collection and disposal of sewage from recreational boaters for removal and disposal by sewage haulers will be reimbursed at the rate approved by the Department as identified in Attachment A.

- i. Reimbursement shall be requested utilizing **Attachment B, Grant Payment/Match Request Form**. In conjunction with Attachment B, an itemized listing (by deliverable) of all expenditures claimed (including the dates of service) shall be submitted. To be eligible for reimbursement, costs must be in compliance with laws, rules and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures.
 - ii. The Chief Financial Officer requires detailed supporting documentation of all costs under a cost reimbursement agreement. In accordance with **Attachment C, Contract Payment Requirements**, the Grantee shall comply with the minimum requirements set forth therein. All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof.
 - iii. The Grantee shall submit a final invoice to the Department no later than June 15, 2017, to assure the availability of funds for final payment. Each payment request submitted shall document all matching funds and/or match efforts (i.e. in-kind services) provided during the period covered by each request. The final payment will not be processed until the match requirement has been met. Upon approval and payment of the final invoice, any remaining funds will be unencumbered.
- C. For the purchase of goods or services costing more than \$2,500 and less than \$100,000 the Grantee shall obtain at least two written quotes. The quotes must be submitted to the Department for review and approval of the quote amount prior to the commencement of any work under this Agreement. Written quotes shall be for items that are alike in function, operation and purpose. An explanation must be provided whenever the Grantee proposes the use of a vendor quoting other than the lowest price. The Department has the right to reject all quotes and require additional documentation supporting the anticipated Project costs. The Department shall make no reimbursement from grant funds until this documentation has been provided and approved. Any purchase over \$100,000 shall comply with the procurement requirements described in 43 CFR 12.76.
- D. The parties hereto understand and agree that this Agreement requires match in the form of cash or third party in-kind, on the part of the Grantee. The match expended by the Grantee shall be at least 25% of the total amount actually expended on the Project. All match shall meet the federal requirements established in 43 CFR, Part 12 and 2 CFR Part 200 Uniform Administrative Requirements, Costs, Principals and Audit Requirements for Federal Awards.
- E. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. For purposes of this Agreement, the following cost principles are incorporated by reference.

State, local or Indian tribal government.	2 CFR Part 200 Uniform Administrative Requirements, Costs, Principals and Audit Requirements for Federal Awards
Private non-profit organization, other than (1) an institution of higher education, or (2) a hospital.	2 CFR Part 200 Uniform Administrative Requirements, Costs, Principals and Audit Requirements for Federal Awards
Educational Institutions.	2 CFR Part 200 Uniform Administrative Requirements, Costs, Principals and Audit Requirements for Federal Awards
For-profit organization, other than a hospital or an educational institution.	48 CFR Part 31 Contract Cost Principles and Procedures, or uniform cost accounting standards that comply with cost principles acceptable to the federal agency.

- F. Any State agency or agency of a political subdivision of a State which is using appropriated Federal funds shall comply with the requirements set forth in Section 6002 of the Resource Conservation and Recovery Act (RCRA) (42 U.S.C. 6962). Regulations issued under RCRA Section 6002 apply to any acquisition of an item where the purchase price exceeds \$10,000 or where the quantity of such items acquired in the course of the preceding fiscal year was \$10,000 or more. RCRA Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by EPA. These guidelines are listed in 40 CFR 247.
- G.
- i. The Grantee's accounting systems must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
 - ii. If the Department finds that these funds have been commingled, the Department shall have the right to demand a refund, either in whole or in part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from the Department shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Department by the Grantee to the date repayment is made by the Grantee to the Department.
 - iii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by the Department, from another source(s), the Grantee shall reimburse the Department for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Grantee to the date repayment is made to the Department by the Grantee.
- H. The federal funds awarded under this Agreement must comply with *The Federal Funding Accountability and Transparency Act (FFATA) of 2006*. The intent of the FFATA is to empower every American with the ability to hold the government accountable for each spending decision. The end result is to reduce wasteful spending in the government. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov. Grant Recipients awarded a new Federal grant greater than or equal to \$25,000 awarded on or after October 1, 2010 are subject to the FFATA. The Grantee agrees to provide the information necessary, over the life of this Agreement, for the Department to comply with this requirement.
- I. Prior written approval from the Department's Grant Manager shall be required for changes within approved task budget categories of up to 10% of the total task budget amount. The Department Grant Manager will transmit a copy of the written approval and revised budget to the Department Procurement Office and the Department Contracts Disbursements Office for inclusion in the Agreement file. Changes greater than 10% of the total approved task budget will require a formal change order to the Agreement. Changes that transfer funds from one task to another or that increase or decrease the total funding amount will require a formal amendment to the Agreement. No reimbursement will be made that exceeds the grant award amount. An increase in funding or a completion date extension will require a formal written amendment to this Agreement.

6. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. The parties hereto understand that this Agreement is not a commitment of future appropriations.
7.
 - A. The Grantee shall submit progress reports, on the form provided as **Attachment D, Progress Report Form**, on a quarterly basis until the Agreement completion date identified in paragraph 4.A. Progress reports shall describe the work performed during each quarter for the duration of the Agreement period, problems encountered, problem resolution, schedule updates and proposed work for the next reporting period. It is hereby understood and agreed by the parties that the term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30 and December 31. Reports shall be submitted to the Department's Grant Manager no later than fifteen (15) days following the completion of the quarterly reporting period. The Department's Grant Manager shall have thirty (30) calendar days to review deliverables submitted by the Grantee.
 - B. The Grantee shall submit a quarterly pumpout report with the following information to the Department on a quarterly basis: the gallons pumped, fees collected, vessels pumped, number of out of state vessels, and maintenance costs. This information shall be submitted to the Department on the form provided at: http://www.dep.state.fl.us/cleanmarina/CVA/quarterly_pumpout.htm for a period of five (5) years following the Project completion date identified in paragraph 4.A. The first report shall be due in the timeframe specified in **Attachment A, Scope of Work and Conditions**.
 - C. Pumpout facilities, pumpout vessels, or dump station services will be provided free of charge or for a fee not to exceed \$5 per vessel. Fees greater than \$5 require prior written cost justification approval by the Department. If fees are collected, such proceeds shall be accounted for, and used by the operator exclusively to defray operation and maintenance costs of the pumpout equipment and associated materials. An accounting of all fees collected will be provided with the quarterly pumpout report described above.
8. Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract or Agreement.
9.
 - A. The Department may terminate this Agreement at any time in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement or if any warranty or representation made by Grantee in this Agreement or in its application for funding shall at any time be false or misleading in any respect. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.
 - B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar days written notice.
 - C. This Agreement may be unilaterally canceled by the Department for refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement, unless the records are exempt from Section 24(a) of Article I of the State Constitution and Section 119.07(1)(a), Florida Statutes.
 - D. This Agreement may be terminated by the Department if written confirmation is received from the Grantee that the pumpout vessel or the pumpout equipment has been destroyed by an act of nature.
10. No payment will be made for deliverables deemed unsatisfactory by the Department. In the event that a deliverable is deemed unsatisfactory by the Department, the Grantee shall re-perform the services needed for submittal of a satisfactory deliverable, at no additional cost to the Department, within ten (10) days of being notified of the unsatisfactory deliverable. If a satisfactory deliverable is not submitted within the specified

timeframe, the Department may, in its sole discretion, either: 1) terminate this Agreement for failure to perform subject to paragraph 9 of this Agreement, or 2) the Department Grant Manager may, by letter specifying the failure of performance under this Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the Grantee to the Department. All CAPs must be able to be implemented and performed in no more than sixty (60) days.

- A. A CAP shall be submitted within ten (10) calendar days of the date of the letter request from the Department. The CAP shall be sent to the Department Grant Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the Department shall notify the Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Grantee shall have ten (10) calendar days from receipt of the Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the Department approval of a CAP as specified above shall result in the Department's termination of this Agreement for cause as authorized in this Agreement.
- B. Upon the Department's notice of acceptance of a proposed CAP, the Grantee shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not relieve the Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, the Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the Department or steps taken by the Grantee shall preclude the Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the Department as requested by the Department Grant Manager.
- C. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by the Department may result in termination of the Agreement.

The remedies set forth above are not exclusive and the Department reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by the Agreement.

- 11. If the Grantee materially fails to comply with the terms and conditions of this Agreement, including any Federal or State statutes, rules or regulations, applicable to this Agreement, the Department may take one or more of the following actions.
 - A. Temporarily withhold cash payments pending correction of the deficiency by the Grantee.
 - B. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
 - C. Wholly or partly suspend or terminate this Agreement.
 - D. Withhold further awards for the project or program.
 - E. Request return to the Department of any equipment purchased with grant funds that has not been properly disposed of in accordance with the U.S. Office of the Secretary, Department of Interior (DOI) equipment management requirements (43 CFR §12.72).
 - F. Take other remedies that may be legally available.
 - G. Costs of the Grantee resulting from obligations incurred by the Grantee during a suspension or after termination of the Agreement are not allowable unless the Department expressly authorizes them in the notice of suspension or termination. Other Grantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if the following apply.

- i. The costs result from obligations which were properly incurred by the Grantee before the effective date of suspension or termination, are not in anticipation of it, and in the case of termination, are noncancellable.
 - ii. The cost would be allowable if the Agreement were not suspended or expired normally at the end of the funding period in which the termination takes place.
- H. The remedies identified above, do not preclude the Grantee from being subject to debarment and suspension under federal Executive Orders 12549 and 12689.
- 12.
 - A. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. The Department, the State, the U.S. Fish and Wildlife Service or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following Agreement completion. In the event any work is subgranted or subcontracted, the Grantee shall similarly require each subgrantee and subcontractor to maintain and allow access to such records for audit purposes.
 - B. The Grantee agrees that if any litigation, claim, or audit is started before the expiration of the record retention period established above, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.
 - C. Records for real property and equipment acquired with Federal funds shall be retained for five (5) years following final disposition.
 - D. The Grantee understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the Department's Inspector General in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its subcontracts issued under this Grant, if any, impose this requirement, in writing, on its subcontractors.
- 13.
 - A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in **Attachment E, Special Audit Requirements**, attached hereto and made a part hereof. **Exhibit 1 to Attachment E** summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of **Attachment E**. A revised copy of **Exhibit 1** must be provided to the Grantee for each amendment which authorizes a funding increase or decrease. If the Grantee fails to receive a revised copy of **Exhibit 1**, the Grantee shall notify the Department's Grants Development and Review Manager at (850) 245-2361 to request a copy of the updated information.
 - B. The Grantee is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The Grantee shall consider the type of financial assistance (federal and/or state) identified in **Attachment E, Exhibit 1** when making its determination. For federal financial assistance, the Grantee shall utilize the guidance provided under OMB Circular A-133, Subpart B, Section __.210 for determining whether the relationship represents that of a subrecipient or vendor. For state financial assistance, the Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website:

<https://apps.fldfs.com/fsaa>

The Grantee should confer with its chief financial officer, audit director or contact the Department for assistance with questions pertaining to the applicability of these requirements.
- 14.
 - A. The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager. Regardless of any subcontract, the Grantee is ultimately responsible

for all work to be performed under this Agreement. The Grantee shall submit a copy of the executed subcontract to the Department within ten (10) days after execution. The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

- B. The Department of Environmental Protection supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of minority owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.
 - C. The Grantee agrees to follow the affirmative steps identified in 43 C.F.R. 12 for its selection of subcontractors and retain records documenting compliance.
 - D. This Agreement is neither intended nor shall it be construed to grant any rights, privileges, or interest in any third party without the mutual written agreement of the parties hereto.
 - E. This Agreement is an exclusive grant and may not be assigned in whole without the written approval of the Department.
15. A. The Grantee certifies that no Federal appropriated funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- B. The Grantee shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontractors, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients certify accordingly.
- C. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.
- D. In accordance with Section 216.347, Florida Statutes, the Grantee is hereby prohibited from using funds provided by this Agreement for the purpose of lobbying the Legislature, the judicial branch or a state agency.
16. The Grantee shall comply with all applicable federal, state and local rules and regulations in performing under this Agreement. The Grantee acknowledges that this requirement includes, but is not limited to, compliance with all applicable federal, state and local health and safety rules and regulations. The purpose of the Clean Vessel Act Grant Program is to establish or restore pumpout facilities that are operational and accessible to the general boating public for the useful life of the facilities. The program also provides educational materials for boaters on the hazards of boater sewage, when applicable. The Clean Vessel Grant Program has received verification from the Department District Office that a site visit/permit verification has been conducted.

The project is located at 25 Causeway Boulevard, Clearwater, Florida 33767 ("project site").

The Grantee shall operate each pumpout facility or dump station funded under this Agreement so that it is open and available to the recreational boating public. Each pumpout facility, pumpout vessel, or dump station shall be operated, maintained, and continue to be reasonably accessible to all recreational vessels for the period of time set forth in Paragraph 4.A. of the Agreement. The Grantee will conduct operations of the pumpout facility, pumpout vessel, or dump stations in accordance with the Pumpout Station Operational Plan. Pumpout vessels are to be used solely for the collection and hauling of recreational boat sewage.

Contract Payment Requirements **Florida Department of Financial Services, Reference Guide for State Expenditures** ***Cost Reimbursement Contracts***

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of the types of documentation representing the minimum requirements:

- (1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- (3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means. N/A under this Agreement.
- (4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.
- (5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable. N/A under this Agreement.
- (6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown. N/A under this Agreement.

Contracts between state agencies, and or contracts between universities may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports.

By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

AUDITS

2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Attachment indicates state financial assistance awarded through the Department of Environmental Protection by this Agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes.
