SUBJECT/RECOMMENDATION:

Accept a Quit Claim Deed from West Coast Inland Navigation District (WCIND) for a section of land lying in the Southeast 1/4 of Section 09, Township 29 South, Range 15 East, Pinellas County, Florida, in the area of the Seminole Street Boat Ramp/North Marina District Improvements Project (Project), as more particularly described in Exhibit A to the Quit Claim Deed. (consent)

SUMMARY:

In or around 1961, the West Coast Inland Navigation District (WCIND) acquired the subject property, which adjoins the City-owned Seminole Street boat ramp property, for construction and maintenance of the Intercoastal Waterway within Pinellas County.

Said lands are now out of WCIND's jurisdiction and no longer required by WCIND for legislative purposes, therefore, city staff has requested that WCIND Quit Claim the land to the City of Clearwater (City) to aid in clearing title for the development of the Project.
