Clearwater Fire Rescue Ancillary Mental Health Support Fee Estimate 07/11/2022

Term: TBD

Services	Includes	Cost to Employer
24/7 phone coverage 24/7 Crisis counselling sessions/CISM/Department Responding	Telephone managed by specialized treatment providers: <ul style="list-style-type: none"> Brief, in-need phone sessions Administrative or employee-level consultation Anytime scheduling Services provided outside of normal business hours or services delivered outside of office	\$20,000
Counseling services Mandatory or voluntary	Provided by specialized treatment providers Sessions scheduled during normal business hours including individual, couples, substance abuse, trauma, etc.	\$150/session
Topical Trainings	As requested by department: examples provided on website – www.tampabaypsychology.com	\$200/hour
Pre-Employment evaluations	Sample provided	\$450
Fitness for Duty evaluations	Sample Provided	Cost varies

****Suggestion to mitigate cost to employer, is to collect a copay per session rendered. This means that a \$150 session, less a \$30 copay paid by the employee/client would leave a remaining cost to the employer of \$120/session*
