BOARD QUESTIONNAIRE

1. What is your understanding of the board's duties and responsibilities? To provide a planning and City perspective as related to brownfields issues and opportunities and to help guide development and redevelopment opportunities within the brownfield area.

2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

No

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

City resident since 1998; City Planner for 10 years; interned with the Institute for Responsible Management in college (this was the original information clearinghouse for the brownfields pilot back in the 1990s); Conducted soil and water sampling when I worked with CardnoTBE – this involved grey and brownfields sites. Lead Planner with regard to downtown development and issues in which much of the City's brownfield area is located.

4. Why do you want to serve on this Board?

To help play an active role in appropriate downtown development and help properties within the brownfields area become productive, contributing sites to the overall economy and specifically to the downtown planning area.
