INSTRUCTIONS:

Copy & Paste or manually enter part numbers in Column A. Column B will populate the maximum End-User price.

If "Check Part Number/Manual Search Required" remains, you will need to verify the part number is correct (double check for random dashes/spaces). If correct, you will need to go to the Catalog and search because the part number may be available via multiple manufacturers OR the part may be Open Market.

NOTE: Anything beyond line 500 will not populate a price.

NOTE: Dragonfruit and Identicard require manual search

Anything beyond row 500 not captured
