SUBJECT: First Quarter budget review - amended City Manager's annual budget report

DATE: March 18, 2026

Attached is the first quarter budget review in accordance with the City Code of Ordinances.

This report is based on the first three months of activity in the current fiscal year (October 2025 through December 2025). Contained within are comments on major variances and documentation of proposed amendments.

Significant Fund amendments are outlined below:

General Fund

General Fund revenue and expenditure amendments reflect a net increase of \$214,262.

The General Fund expenditure amendments at first quarter include an increase of \$214,262 to the City Attorney's Office to provide funding for the payout of the outgoing City Attorney. This expenditure increase is offset by a revenue amendment allocating General Fund reserves.

General Fund Reserves: In order to ensure adequate reserves, the City Council's policy reflects that General Fund unappropriated fund reserves of 8.5% of the City's budgeted General Fund expenditures must be maintained as a reserve to guard against future emergencies.

Estimated General Fund reserves at first quarter are approximately \$74.9 million, or 33.4% of the fiscal year 2025/26 General Fund expenditure budget, exceeding our minimum reserve requirement by \$55.8 million.

Significant amendments to other city operating funds are noted as follows:

Water and Sewer Fund

Amendments to the Water and Sewer Fund reflect an allocation of \$19,300,000 from fund reserves transferred to the Sanitary Sewer R&R capital project to provide funding for maintenance program contracts as previously approved.

Parking Fund

Amendments to Parking Fund expenditures reflect an increase of \$38,712 for the PSTA Jolley Trolley contract as previously approved. Budgeted revenues are sufficient to cover this increase.

Capital Improvement Program

First quarter amendments to the capital improvement program reflect a net increase of \$26,120,786. Amendments include the following increases previously approved by the Council: \$949,500 in grant revenues from the US Department of Energy in the Solar NGW Recreation and Countryside Library project; \$3,366,540 in grant revenue from the Florida Department of Environmental Protection in the Sanitary Sewer Extension project; \$19,300,000 transferred from Water and Sewer reserves to the Sanitary Sewer R&R project; and \$880,000 in grant revenue from FDOT and \$220,000 in reimbursement revenue for the Aviation Operation Center project.

Project activity not previously approved by the Council is summarized on page 18. Significant amendments include an increase of \$36,417 in elective pay rebates in the Greenprint Implementation project; an increase of \$246,320 reimbursed in the Police CAD Replacement project; \$185,442 of property owner share revenues in the Pasco Line Relocation and Pinellas New Mains projects; a decrease of \$56,000 in governmental revenues budgeted in the Facilities Upgrade & Improvements project; an increase of \$321,672 in grant revenues in the Pump Station Replacement project; an increase of \$164,200 of reimbursements received in the Reclaimed Water Distribution project; an increase of \$405,700 in the Arts and Cultural Affairs project representing 1% art funding transferred from capital projects; and an increase of \$86,518 in FEMA reimbursements received in the South Basin Attenuator project.

Special Program Fund

The Special Program Fund reflects a net budget increase of \$3,816,102 for first quarter. Significant amendments include \$160,000 allocated from fund reserves for increased costs of the feasibility study; \$213,448 in public safety grant/governmental revenues; \$885,467 in contractual service revenue for police extra duty; \$904,391 from the Juvenile Welfare Board to fund 2025/26 after school and summer programs which include funding for the addition of 5.2 new FTEs; \$249,934 in fines and court proceeds for public safety programs and the tree replacement program; an increase of \$470,911 for the Brownfield RLF Grant program; \$296,133 in special events revenues received from the Turkey Trot, Mama Duck, and Sea Blues festival; \$66,114 in donations for Police, Parks and Library programs; \$25,000 for an application in the new P3 Program; \$32,855 of reimbursements in various programs; \$31,837 in prior year interest earnings; and \$475,613 transferred between existing special programs.
