Good morning,

The City has previously piggybacked off the contract with Goodyear and noticed that it is expiring at the end of March. It was brought to our attention that the NASPO contract was extended (see attached) and I was wondering if you will be extending on your end as well. We need to take this item to Council for the extension but will need this piece of information before we can do so.

Your help with this is greatly appreciated.

Thank you,

Lori Vogel, CPPB
