BOARD QUESTIONNAIRE

1. What is your understanding of the board's duties and responsibilities?

Review, advise, and make recommendations on various issues relating to Clearwater waterfront and waterways. _____

2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Yes – City Council meetings on C-View.

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

I have boated in these waters for over 30 years, 17 as a resident of Clearwater Beach, as both a sailor, and for the past 10 years or so, as a power boater. I have a strong interest in marine environment, boating safety, and marine animals. As a volunteer at CMA (member of the Dive Team), I am committed to seeing our marine environment maintained for the enjoyment of future generations.

4. Why do you want to serve on this Board?

Clearwater's waterfront and waterways are the finest on the west coast of Florida. I believe I have the judgment and experience to help insure they remain in that status and look forward to helping in any way I can.
