---

I moved to Clearwater in January of 2022 and after meeting the wonderful people here and settling into this community I now want to focus my efforts on expanding my local network and interacting with colleagues and leaders across local industries and government. I believe I have the necessary business acumen and people skills to contribute to the community, with the goal of strategic improvement in both community and individuals. I believe it to be a priviledge to serve my neighbors.

**What personal qualifications can you bring to this board or committee?**

---

Besides my many years in business leadership positions, I truly enjoy strategic collaboration which has served me well on previous committees. I have spent many years contributing to community projects, committees, boards and voluteer work. I was divorced in 2012 and much of that work had to be put on hold for my time as a single mother of two and my job that provided for us all. Now that my children are both adults and are firmly on their path, I have the time, energy and knowledge that I hope can be beneficial to my neighbors.

**List Community Activities**

---

My current activities in Clearwater are slim and limited by my slow but sure gained knowledge of the area and people, such as the Beach, Pilates, Coachman park activities and anything I might find online as a weekend activity of interest! In the past I have managed financial committees, housing committees, traffic planning, taught classes, participated in singing groups, donation drives, bake sales, etc...Life is challenging and it is so much sweeter when we enjoy it together, lifting each other to our best selves.
