### 2.3 Due Date & Time for Submission and Opening

**Date: Tuesday, January 20, 2026**

**Time: 10:00 am**

The City will open all bids properly and timely submitted and will record the names and other information specified by law and rule. All bids become the property of the City and will not be returned except in the case of a late submission. Respondent names, as read at the bid opening, will be posted on the City website. Bids shall remain firm and unaltered after opening for 90 days. The City may accept the bid, subject to successful contract negotiations, at any time during this time.

### 2.5 Bid Submittals

It is recommended that bids are submitted electronically through the City's e-Procurement Portal located at <https://procurement.opengov.com/portal/myclearwater>. By way of the e-Procurement Portal, responses will be locked and digitally encrypted until the submission deadline passes.

### **E-mail or fax submissions will not be accepted.**

No responsibility will attach to the City of Clearwater, its employees or agents for premature opening of a bid that is not properly addressed and identified.

### 2.6 Late Bids

The bidder assumes responsibility for having the bid delivered on time at the place specified. All bids received after the date and time specified shall not be considered and will be returned unopened to the bidder. The bidder assumes the risk of any delay in the mail or in handling of the mail by employees of the City of Clearwater, or any private courier, regardless whether sent by mail or by means of personal delivery. It shall not be sufficient to show that you mailed or commenced delivery before the due date and

time. All times are Clearwater, Florida local times. The bidder agrees to accept the time stamp in the City's Procurement Office as the official time.

## **2.7 Lobbying; Lobbying No-Contact Period; Questions Regarding Solicitation**

From the time a competitive solicitation is posted until such time as the contract is awarded by the city or the solicitation is cancelled, all bidders, offerors, respondents, including their employees, representatives, and other individuals acting on their behalf, shall be prohibited from lobbying city officers, city employees, and evaluation committee members.

Violation of this section may result in rejection/disqualification from award of the contract arising out of the competitive solicitation.

All questions regarding the competitive solicitation must be submitted through the City's e-Procurement Portal, who will respond in writing and post such response to ensure that all respondents receive the same information during the No-Contact Period.

The penalty for violating the No-Contact Period may include suspension or debarment.

## **2.8 Commencement of Work**

If bidder begins any billable work prior to the City's final approval and execution of the contract, bidder does so at its own risk.

## **2.9 Responsibility to Read and Understand**

Failure to read, examine and understand the solicitation will not excuse any failure to comply with the requirements of the solicitation or any resulting contract, nor shall such failure be a basis for claiming additional compensation. If a vendor suspects an error, omission or discrepancy in this solicitation, the vendor must immediately and in any case not later than seven (7) business days in advance of the due date notify the contact listed on this solicitation. The City is not responsible for and will not pay any costs associated with the preparation and submission of the bid. Bidders are cautioned to verify their bids before submission, as amendments to or withdrawal of bids submitted after time specified for opening of bids may not be considered. The City will not be responsible for any bidder errors or omissions.

## **2.10 Form and Content of Bids**

Bids, including modifications, must be certified by an authorized representative and submitted electronically. In the event of a disparity between the unit price and the extended price, the unit price shall prevail unless obviously in error, as determined by the City. The City requires that an electronic copy of the bids be submitted through the City's e-Procurement portal located at <https://procurement.opengov.com/portal/myclearwater>. The bids must provide all information requested and must address all points. The City does not encourage exceptions. The City is not required to grant exceptions and depending on the exception, the City may reject the bids.

## **2.11 Specifications**

Technical specifications define the minimum acceptable standard. When the specification calls for "Brand Name or Equal," the brand name product is acceptable. Alternates will be considered upon demonstrating the other product meets stated specifications and is equivalent to the brand product in terms of quality, performance and desired characteristics.

Minor differences that do not affect the suitability of the supply or service for the City's needs may be accepted. Burden of proof that the product meets the minimum standards or is equal to the brand name, product, is on the bidder. The City reserves the right to reject bids that the City deems unacceptable.

## **2.12 Modification/Withdrawal of Bids**

For bids submitted electronically, vendors may use the "Unsubmit Response" button located on the Response Details page of their submission. Responses may be resubmitted once they have been edited or modified as needed.

For mailed in or hand delivered bids, written requests to modify or withdraw the bid received by the City prior to the scheduled opening time will be accepted and will be corrected after opening. Written requests must be addressed and labeled in the same manner as the bid and marked as a MODIFICATION or WITHDRAWAL of the bid.

No oral requests will be allowed.

Requests for withdrawal after the bid opening will only be granted upon proof of undue hardship and may result in the forfeiture of any bid security. Any withdrawal after the bid opening shall be allowed solely at the City's discretion.

## **2.13 Debarment Disclosure**

If the vendor submitting this bid has been debarred, suspended, or otherwise lawfully precluded from participating in any public procurement activity, including being disapproved as a subcontractor with any federal, state, or local government, or if any such preclusion from participation from any public procurement activity is currently pending, the bidder shall include a letter with its bid identifying the name and address of the governmental unit, the effective date of this suspension or debarment, the duration of the suspension or debarment, and the relevant circumstances relating the suspension or debarment.

## **2.14 Reservations**

The City reserves the right to reject any or all bids or any part thereof; to rebid the solicitation; to reject non-responsive or non-responsible bids; to reject unbalanced bids; to reject bids where the terms, prices, and/or awards are conditioned upon another event; to reject individual bids for failure to meet any requirement; to award by item, part or portion of an item, group of items, or total; to make multiple awards; to waive minor irregularities, defects, omissions, technicalities or form errors in any bid. The City may seek clarification of the bid from bidder at any time, and failure to respond is cause for rejection. Submission of a bid confers on bidder no right to an award or to a subsequent contract. The City is charged by its Charter to make an award that is in the best interest of the City. All decisions on compliance, evaluation, terms and conditions shall be made solely at the City's discretion and made to favor the City. No binding contract will exist between the bidder and the City until the City executes a written contract or purchase order.

## **2.15 Official Solicitation Document**

Changes to the solicitation document made by a bidder may not be acknowledged or accepted by the City. Award or execution of a contract does not constitute acceptance of a changed term, condition or specification unless specifically acknowledged and agreed to by the City. The copy maintained and published by the City shall be the official solicitation document.

## **2.16 Copying of Bids**

Bidder hereby grants the City permission to copy all parts of its bid, including without limitation any documents and/or materials copyrighted by the bidder. The City's right to copy shall be for internal use in evaluating the proposal.

## **2.17 Contractor Ethics**

It is the intention of the City to promote courtesy, fairness, impartiality, integrity, service, professionalism, economy, and government by law in the Procurement process. The responsibility for implementing this

policy rests with each individual who participates in the Procurement process, including Respondents and Contractors.

To achieve this purpose, it is essential that Respondents and Contractors doing business with the City also observe the ethical standards prescribed herein. It shall be a breach of ethical standards to:

- A. Exert any effort to influence any City employee or agent to breach the standards of ethical conduct.
- B. Intentionally invoice any amount greater than provided in Contract or to invoice for Materials or Services not provided.
- C. Intentionally offer or provide sub-standard Materials or Services or to intentionally not comply with any term, condition, specification or other requirement of a City Contract.

## **2.18 Gifts**

The City will accept no gifts, gratuities or advertising products from bidders or prospective bidders and affiliates. The City may request product samples from vendors for product evaluation.

## **2.19 Right to Protest**

Pursuant to Section 2.562(3), Clearwater Code of Ordinances, a bidder who submitted a response to a competitive solicitation and was not selected may appeal the decision through the bid protest procedures, a copy of which shall be available in the Procurement Division. A protesting bidder must include a fee of one percent of the amount of the bid or proposed contract to offset the City's additional expenses related to the protest. This fee shall not exceed \$5,000.00 nor be less than \$50.00. Full refund will be provided should the protest be upheld. No partial refunds will be made.

## **2.20 Evaluation Process**

Bids will be reviewed by the Procurement Division and representative(s) of the respective department(s). The City staff may or may not initiate discussions with bidders for clarification purposes. Clarification is not an opportunity to change the bid. Bidders shall not initiate discussions with any City employee or official.

Respondent is hereby notified that Section 287.05701, Florida Statutes, requires that the City may not request documentation of or consider a vendor's social, political, or ideological interests when determining if the vendor is a responsible vendor.

## **2.21 Criteria for Evaluation and Award**

The City evaluates three (3) categories of information: responsiveness, responsibility, and price. All bids must meet the following responsiveness and responsibility criteria to be considered further.

- A. Responsiveness. The City will determine whether the bid complies with the instructions for submitting bids including completeness of bid which encompasses the inclusion of all required

attachments and submissions. The City must reject any bids that are submitted late. Failure to meet other requirements may result in rejection.

B. Responsibility. The City will determine whether the bidder is one with whom it can or should do business. Factors that the City may evaluate to determine "responsibility" include, but are not limited to: excessively high or low priced bids, past performance, references (including those found outside the bid), compliance with applicable laws-including tax laws, bidder's record of performance and integrity - e.g. has the bidder been delinquent or unfaithful to any contract with the City, whether the bidder is qualified legally to contract with the City, financial stability and the perceived ability to perform completely as specified. A bidder must at all times have financial resources sufficient, in the opinion of the City, to ensure performance of the contract and must provide proof upon request. City staff may also use Dun & Bradstreet and/or any generally available industry information. The City reserves the right to inspect and review bidder's facilities, equipment and personnel and those of any identified subcontractors. The City will determine whether any failure to supply information, or the quality of the information, will result in rejection.

C. Price. We will then evaluate the bids that have met the requirements above

**2.22 Cost Justification**

In the event only one response is received, the City may require that the bidder submit a cost proposal in sufficient detail for the City to perform a cost/price analysis to determine if the bid price is fair and reasonable.

**2.23 Contract Negotiations and Acceptance**

Bidder must be prepared for the City to accept the bid as submitted. If bidder fails to sign all documents necessary to successfully execute the final contract within a reasonable time as specified, or negotiations do not result in an acceptable agreement, the City may reject bid or revoke the award, and may begin negotiations with another bidder. Final contract terms must be approved or signed by the appropriately authorized City official(s). No binding contract will exist between the bidder and the City until the City executes a written contract or purchase order.

**2.24 Notice of Intent to Award**

Notices of the City's intent to award a Contract are posted to Purchasing's website. **It is the bidder's responsibility to check the City of Clearwater's website at <https://procurement.opengov.com/portal/myclearwater/projects/223249> to view the Procurement Division's Intent to Award postings.**

### **3.16 Security Clearance and Removal of Contractor Personnel**

The City will have final authority, based on security reasons: (i) to determine when security clearance of Contractor personnel is required; (ii) to determine the nature of the security clearance, up to and including fingerprinting Contractor personnel; and (iii) to determine whether or not any individual or entity may provide services under this Agreement. The defaulting party will have thirty (30) days from receipt of the notice to cure the default; the thirty (30) day cure period may be extended by mutual agreement of the parties, but no cure period may exceed ninety (90) days. A default notice will be deemed to be sufficient if it is reasonably calculated to provide notice of the nature and extent of such default. Failure of the non-defaulting party to provide notice of the default does not waive any rights under the Agreement.
- D. **Anticipatory Repudiation.** Whenever the City in good faith has reason to question Contractor's intent or ability to perform, the City may demand that Contractor give a written assurance of its intent and ability to perform. In the event that the demand is made and no written assurance is

given within five (5) calendar days, the City may treat this failure as an anticipatory repudiation of the Agreement.

### **3.18 Remedies**

The remedies set forth in this Agreement are not exclusive. Election of one remedy will not preclude the use of other remedies. In the event of default:

- A. The non-defaulting party may terminate the Agreement, and the termination will be effective immediately or at such other date as specified by the terminating party.
- B. The City may purchase the services required under the Agreement from the open market, complete required work itself, or have it completed at the expense of Contractor. If the cost of obtaining substitute services exceeds the contract price, the City may recover the excess cost by: (i) requiring immediate reimbursement to the City; (ii) deduction from an unpaid balance due to Contractor; (iii) collection against the proposal and/or performance security, if any; (iv) collection against liquidated damages (if applicable); or (v) a combination of the aforementioned remedies or other remedies as provided by law. Costs includes any and all, fees, and expenses incurred in obtaining substitute services and expended in obtaining reimbursement, including, but not limited to, administrative expenses, attorneys' fees, and costs.

- D. The City will not be liable for incidental, special, or consequential damages.

### **3.19 Breach of contract during emergency recovery periods for natural emergencies**

S. § 252.505, any vendor who breaches a contract for commodities or services related to an emergency response for a natural emergency during an emergency recovery period shall pay a \$5,000 penalty and damages, which may be either actual and consequential damages or liquidated damages. ### **3.20 Continuation During Disputes**

Contractor agrees that during any dispute between the parties, Contractor will continue to perform its obligations until the dispute is settled, instructed to cease performance by the City, enjoined or prohibited by judicial action, or otherwise required or obligated to cease performance by other provisions in this Agreement.

### **3.21 Termination for Convenience**

The City reserves the right to terminate this Agreement at its convenience, in part or in whole, upon thirty (30) calendar days' written notice.
