**Subject: Communications International, Inc., L3Harris Authorized Service Center and Dealer & Sole Source Provider**

This letter serves as written confirmation that Communications International, Inc. with offices in Vero Beach, Florida, is a L3Harris Dealer and Regional Center of Excellence-Elite Partner in good standing with L3Harris Technologies, Inc. As such, Communications International, Inc. is authorized to resell L3Harris Public Safety and Professional Communications products as outlined in the L3Harris dealer agreement.

Additionally, Communications International, Inc. is a L3Harris PSPC Authorized Service Center (ASC) and is trained and certified to service & repair L3Harris PSPC products. Any services or repairs provided on L3Harris PSPC products by parties who do not hold ASC certification will automatically void the product warranty.

In addition to the above, Communications International, Inc. is the sole authorized service provider for the City of Clearwater and their L3Harris communications equipment.

Please contact me if you have any questions.

Respectfully,

**Phil McTigue**
