Subject: City Council position

November 30, 2018

Dear Mr. Mayor and Council Members:

I feel a strong urge to come forward and toss my hat in the ring for the open city council position.

The four current council members obviously have a love for our city and want to make it a better place for residents. I share that vision and goal.

Attached is a resume that outlines my capabilities so I won't go into detail on that in my cover letter, but suffice it to say that as a 30-year resident of Clearwater with a Master's Degree in Business Administration, I can bring lot to the table. I'd also endeavor to bring alacrity and cheerfulness in service to our community as I work well with everyone.

Regardless of whom the Council chooses, I sincerely hope that the selected individual brings a genuine passion for the city of Clearwater and a positive attitude.

Sincerely,

Kelly Shannon Kelly
