naomihaverland I loved being able to paint this mural for The Art Oasis Mural Fest in Clearwater this week. My design was chosen by Señor Bubbles laundry matte and it couldn't have been a more perfect fit!

nogooddeeds_art Just a few of the newest murals going up in downtown Clearwater as part of Art Oasis Mural Fest! I'm honored to be able to play a small part in helping these walls come to life. The City of Clearwater is working hard to create some amazing opportunities for muralists 🙌 Still more to come!

BUSINESSES ARE ALSO FEELING THE BUZZ!

We want to tell you how incredibly grateful we are to have such a beautiful mural on our wall. For 15 years I've been in this building and went from being embarrassed of our exterior to so proud to show the world the beauty that is that mural that Cecelia painted.

My clients love it and I hear talk about future music videos being recorded in front of it.

My family and I often walk outside and walk around the building just to look at it. My 3-year-old son loves the colors and shouts them out as we walk past it. It brings so much joy, even to people walking or slowly driving past it. :-)

**Thanks again!,
Mike Johnson**
