TERMS AND CONDITIONS

DISCLAIMER Exposure to the oil based polyurethane gym finish within seven (7) days of application of the polyurethane finish may lead to health effects that include, but are not limited to, irritation of the skin and mucous membranes, chest tightness, and difficult breathing. Isocyanates are compounds found in polyurethane finishes, and they are classified as potential human carcinogens and known to cause cancer in animals. The main effects of hazardous exposure to polyurethane finishes are occupational asthma and other lung problems, as well as irritation of the eyes, nose, throat, and skin. It is advised that facilities remain closed for seven (7) days to allow the polyurethane finish to complete its cure time and to prevent any hazardous exposure to the purchaser and its customers.

• **FINANCE CHARGES** Purchaser will receive monthly statements; however, payment is due upon receipt of original invoice. If the balance shown on a monthly statement is not paid before the 30th day of the same month, interest will accrue on the unpaid amount at the highest rate allowable by Florida law.
