Re: Island Estates CIP 17 & 19 Water Main Replacement Project

Dear Public Utilities Department:

Murphy Pipeline Contractors will extend its prices per the contract documents of the City of Pompano Beach, Florida Trenchless Rehabilitation and Pipe Bursting Technology Services, RFP E-15-22 Contract to the City of Clearwater, Florida.

Murphy Pipeline Contractors proposes to perform rehabilitation/replacement of Clearwater's water main system as detailed and in accordance with contract documents, procedures and performance demonstrated in conjunction with the City of Pompano Beach, Florida Contract.

The area of work is defined as: Island Estates CIP 17 & 19.

Anticipated start date and schedule will be submitted as requested.

Best regards,
