# Parks & Public Places Chapter

# Parks & Public Places Goal

---

## Goal PPP 1:

Consider the needs of all users when designing open spaces, trails, and parks and recreation facilities.

### Objective:

#### 1.1 User Equity

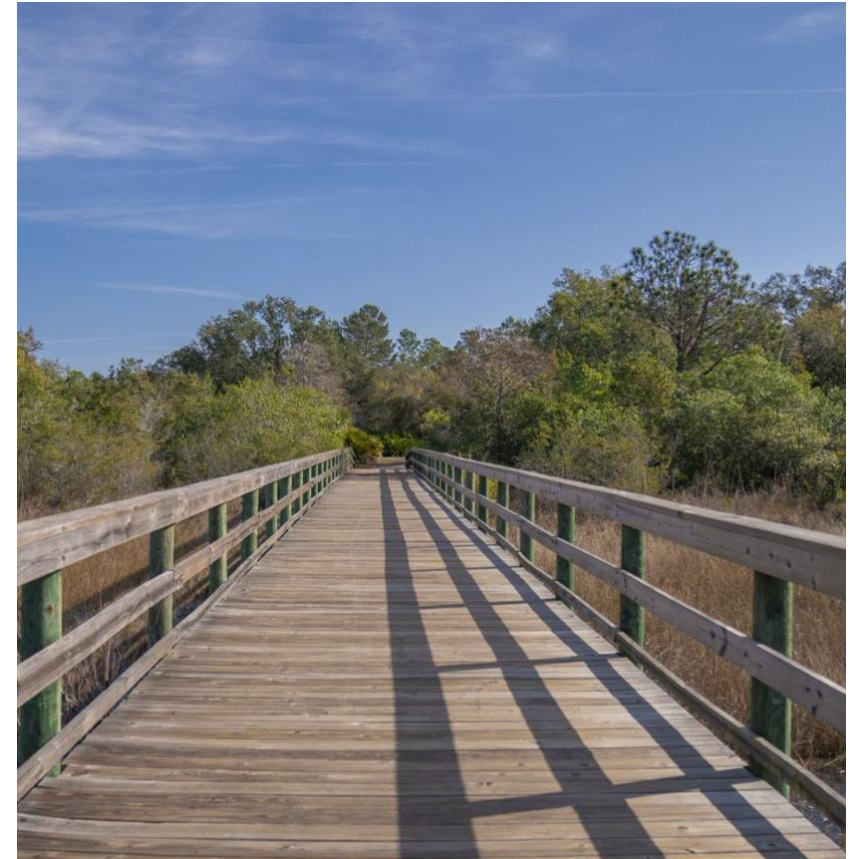

# Parks & Public Places Goal

---

## Goal PPP 2:

Ensure that natural features of the city are preserved, that parkland, trails, open spaces, and parks and recreation facilities are located in appropriate areas of the city.

# Parks & Public Places Objectives

---

- 2.1 Adequate Supply
- 2.2 Increase Parkland
- 2.3 Preserve Natural Spaces
- 2.4 Enhance Physical Characteristics
- 2.5 Blueways & Greenways
- 2.6 Parks Master Plan

# Parks & Public Places Goal

---

## Goal PPP 3:

Utilize the parks and recreation impact fee to improve the park system within the city.

### Objective:

#### 3.1 Administration of Impact Fee

# Conservation & Coastal Management Chapter

# Conservation & Coastal Management Goal

---

## **Goal CCM 1:**

Continue to protect, enhance, and conserve natural resources within the city to provide for the long-term accessibility, enhancement, safety, economic viability, and environmental integrity of those resources.

# Conservation & Coastal Management Objectives

---

- 1.1 Natural Resource Protection
- 1.2 Protection from Adverse Impacts
- 1.3 Potable Well Protection
- 1.4 Stormwater Discharge

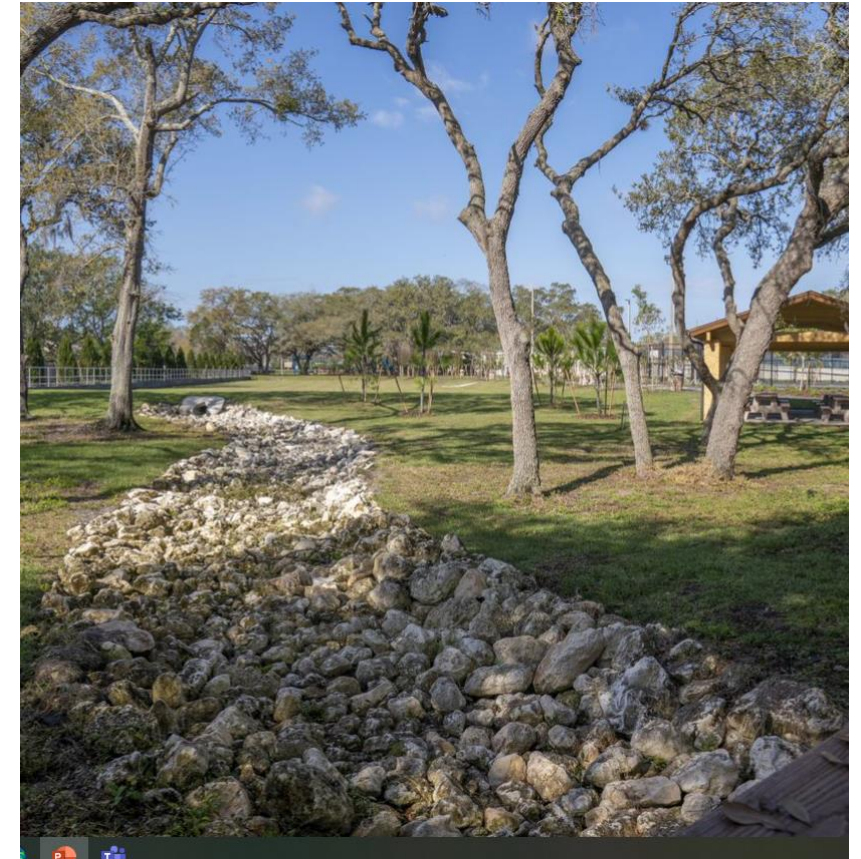

# Conservation & Coastal Management Goal

---

## Goal CCM 2:

Protect development, redevelopment, and public facility investment from storm events and flood risks related to flooding, high-tide events, and sea level rise to reduce property losses.

# Conservation & Coastal Management Objectives

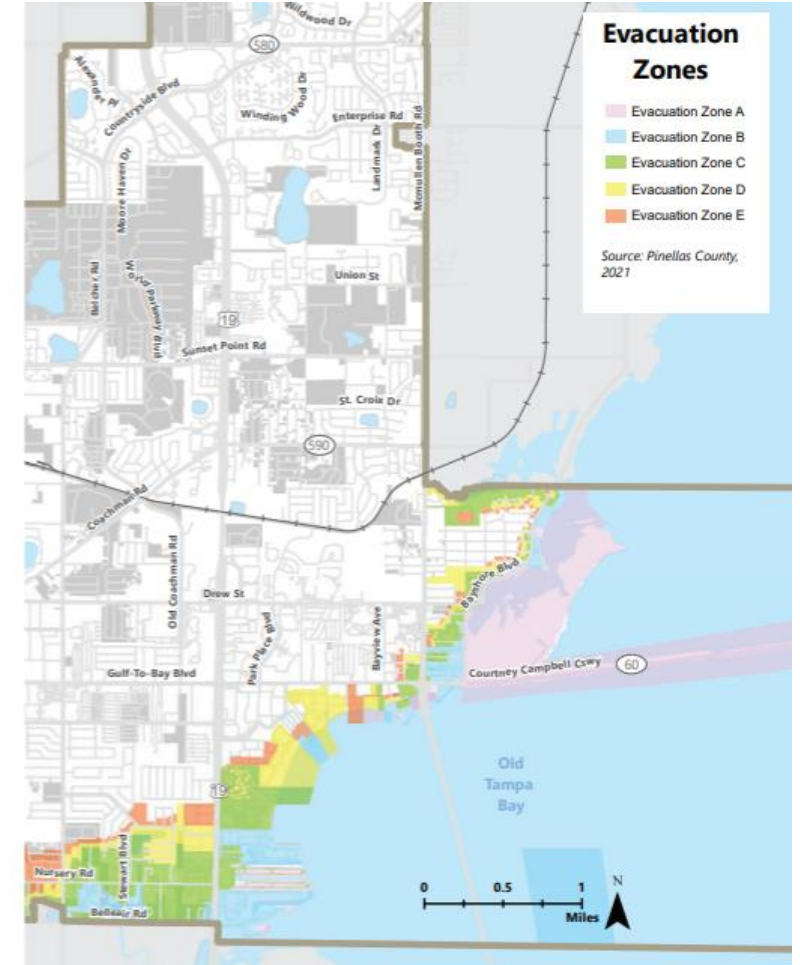

---

- 2.1 Reduce Flood Risks
- 2.2 City-Owned Infrastructure Protection
- 2.3 Resilient Protection in Code
- 2.4 Conserve Public Beach Access

12

# Conservation & Coastal Management Goal

---

## Goal CCM 3:

Ensure post-disaster redevelopment occurs in a manner that minimizes public and private vulnerability to future disasters.

# Conservation & Coastal Management Objectives

---

- 3.1 Post-Disaster Redevelopment
- 3.2 Public Expenditures on Infrastructure

## Conservation & Coastal Management Goal

### Goal CCM 4:

Integrate sustainable and resilient techniques into land use, transportation, housing, and infrastructure planning, decision making, and development.

A large, mature tree with a thick, gnarled trunk and dense green foliage, standing in a natural, wooded area with sunlight filtering through the leaves.

Clearwater  
Greenprint

2.0

Competitive.  
Vibrant.  
Green.

# Conservation & Coastal Management Objectives

---

- 4.1 Sustainable & Resilient Uses in Code
- 4.2 Sustainable & Resilient Building Techniques
- 4.3 *Greenprint 2.0* Implementation

# Conservation & Coastal Management Goal

---

## Goal CCM 5:

Educate the public on storm hazard-related risks, flood insurance, the natural environment, and sustainability initiatives and best practices.

### Objective:

#### 5.1 Outreach & Education

Support Services Chapter

# Support Services Goal

## Goal SS 1:

Continue to provide high quality, reliable, and efficient sanitary sewer service in an environmentally sound manner which will protect the public health and safety.

# Support Services Objectives

---

- 1.1 Levels of Service
- 1.2 Advance Wastewater Treatment
- 1.3 Sanitary Sewer Service Demand
- 1.4 Financial Management
- 1.5 Reclaimed Water

# Support Services Goal

---

## Goal SS 2:

Continue to provide Solid Waste Collection and Disposal services that balance reliability, environmental impacts, costs, and safety.

# Support Services Objectives

---

- 2.1 Data Collection & Route Management
- 2.2 Collection Schedule
- 2.3 Countywide Goal of Zero Waste
- 2.4 Natural Resource Mitigation

# Support Services Goal

---

## Goal SS 3:

Provide the most cost effective and efficient provision of stormwater management including the improvement and enhancement of stormwater quality discharging into local receiving water, and provide maximum practical protecting to persons, property, and the natural environment.

# Support Services Objectives

---

- 3.1 Levels of Service
- 3.2 Lower High Water Profiles
- 3.3 Protect Receiving Waters
- 3.4 Financial Management
- 3.5 Economic Development Incentives for Protection

# Support Services Goal

---

## Goal SS 4:

Provide, develop, and maintain a permanent potable water supply system to meet anticipated demand while providing maximum practical protection to the environment at a cost consistent with the public's ability and willingness to pay.

# Support Services Objectives

---

- 4.1 Levels of Service
- 4.2 Adequate Supply
- 4.3 Operational System
- 4.4 Financial Management
- 4.5 Environmental Compatibility
- 4.6 Protect Natural Recharge Areas

# Support Services Goal

---

## Goal SS 5:

Provide, develop, and maintain a permanent reclaimed water supply system at a cost consistent with the public's ability and willingness to pay.

# Support Services Objectives

---

- 5.1 Maintain System Operations
- 5.2 Financial Management
- 5.3 Develop Reclaimed Water System

# Support Services Goal

---

## Goal SS 6:

Continue to provide effective, professional, and dependable law enforcement services to every citizen, visitor, and business within the city.

# Support Services Objectives

---

- 6.1 Maintain Infrastructure & Vehicles
- 6.2 Monitor Crime & Activity Metrics
- 6.3 Build Department Capacity

# Support Services Goal

---

## Goal SS 7:

Continue to provide emergency services with a focus on quality, cost effectiveness, and all-hazard mitigation for all citizens, visitors, and businesses within the city.

# Support Services Objectives

---

- 7.1 Adequate Staffing, Equipment, & Apparatus
- 7.2 Maintain Infrastructure, Equipment, & Apparatus
- 7.3 Address Increased Future Demand

# Support Services Goal

---

## Goal SS 8:

Continue to provide quality information, continuous learning, and innovative services that anticipate and support the needs of the city.

Objective:

8.1 Evolving Needs

# Support Services Goal

---

## Goal SS 9:

Continue to provide and expand cost effective gas energy solutions and related products to customers in Pinellas and Pasco Counties.

# Support Services Objectives

- 9.1 Grant Funding
- 9.2 Renewable Energy Markets
- 9.3 Sales & Marketing Plan
- 9.4 Key Performance Indicators
- 9.5 Strategic Action Plan

# Next Steps

---

## Full Plan Draft

- June 27 at the North Greenwood Recreation Center
- June 29 at the Countryside Library

# Next Steps

## Community Development Board

- Public Hearing: August 15

## City Council

- Work Sessions: June 5 and June 12
- Public Hearings: First Hearing September 21; Second Hearing (Adoption) December 7
