RE: Sole source for Harris 700/800 MHz sales and service

The City of Clearwater owned Harris EDACS 800 MHz and 800 MHz P25 radio equipment is proprietary and is only manufactured by Harris Corporation. Communications International, a certified Harris Network Service Provider, is the sole authorized service provider in for your account.

In June 2002 the City of Clearwater signed a twenty year contract with Harris Corporation to provide radio system services and equipment. Communications International is the Authorized Harris Network Service Provider for our account and has provided a letter certifying such

Harris trunked public safety radio equipment can only be purchased indirectly from the authorized Harris service provider Communications International, or directly from Harris Corporation.

If you have any further questions or concerns I encourage you to call me at my office. Thank you again for choosing Harris for your communications needs.

Sincerely

Pirooska Ventura
Manager, Indirect Channel
