BOARD QUESTIONNAIRE

1. What is your understanding of the board's duties and responsibilities?

The advisory board position I have applied for looks at the development and usage of land and its impact on the environment and to the citizens of Clearwater. I will attend meetings at least once a month and investigate and review the agenda between meetings

2. Have you ever observed a board meeting either in person or on the City's TV station C-View?

Yes

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

I have lived in this area my entire life, so I am extremely familiar with it. I am also an avid outdoor enthusiast and active in the community as a volunteer and event coordinator. I live and work in Clearwater, so many of the decisions affect me and my family. Because of this, I attended Clearwater citizen's academy to better understand the department responsibilities and learn about our fine city.

4. Why do you want to serve on this Board?

Because I have an active outdoor lifestyle, and I like to give back to the community in general, serving on a board is a great start to a potential position in other areas of the city where I can help even more. Also, disc golf is my passion and is the fastest growing sport in the world. It is environmentally friendly but takes a lot of space to play.
