Occupation If retired, enter former occupation  
Real Estate Broker

Employer Foxx and Associates LLC

Relevant Work Experience 25+ years in the real estate and mortgage business, I have been involved in countless(1000's) transactions, and recognized as being in the top 3% of Brokers nationwide. I have worked with Fannie Mae as an approved broker for rehabbing and selling foreclosed properties, have been to numerous Clearwater Code Enforcement meetings to cure code violations and work with code enforcement to bring properties. My other clients include Bank of America, Chase Bank, Blackstone Capital, Ocwen/Altisource, HUD, Fay Servicing, LRES, and a number of other mortgage servicers. As a 15 year resident of Clearwater, I believe I would make a good addition to the Advisory Board, and understand the needs and concerns of Clearwater residents.

Community Activities First and Foremost, I absolutely LOVE living in Clearwater, and want to be involved in protecting our beautiful beaches, marinas, and everything Clearwater has to offer. As a 15 year resident of Clearwater, I believe I would make a good addition to the Advisory Board, and understand the needs and concerns of Clearwater residents. I have a vested interest in keeping Clearwater the amazing place it is, and I believe my perspective can positively impact our community, if I am added to the Advisory Board I am working with Clearwater buyers, sellers, and local builders, and understand both the need to keep neighborhoods "stabilized" by doing conforming, solid mortgages, through our sister company Foxx and Associates Mortgage.

I have worked with Fannie Mae as an approved broker for rehabbing and selling foreclosed properties, have been to numerous Clearwater Code Enforcement meetings to cure code violations and working with code enforcement to bring properties into compliance.

I believe we have a very diverse community in Clearwater, where we may not all share the same vision for Clearwater, but believe that everyone's voice counts. We all benefit from working together!

I can provide multiple references and testimonials upon request.

# Questionnaire

**Question 1.** What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1. \*

My understanding is clear based on the email I received inviting me to be on the Advisory Board, and I am willing to participate : Committee members will review the proposals that we receive, meet to discuss and rank the proposals, and if they desire, they will hear presentations from the top-ranked firms prior to making a final selection, which will be recommended to City Council for approval.

In addition to selecting the auditor, the committee will meet with the auditor at the beginning and end of each annual audit (roughly October and April) for a presentation on the audit plan (October) and a presentation on the audit results (April).

**Question 2.** Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2. \*

☒ Yes ☐ No

**Question 3.** What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3. \*

25+ years in the real estate and mortgage business, I have been involved in countless(1000's) transactions, and recognized as being in the top 3% of Brokers nationwide. I have worked with Fannie Mae as an approved broker for rehabbing and selling foreclosed properties, have been to numerous Clearwater Code Enforcement meetings to cure code violations and work with code enforcement to bring properties. My other clients include Bank of America, Chase Bank, Blackstone Capital, Ocwen/Altisource, HUD, Fay Servicing, LRES, and a number of other mortgage servicers. As a 15 year resident of Clearwater, I believe I would make a good addition to the Advisory Board, and understand the needs and concerns of Clearwater residents.

**Question 4.** Why do you want to serve on the Board(s)?

Answer 4. \*

I feel my input as a member of the Advisory Board would allow me to help serve both the interests of the Residents of Clearwater, and help with the decisions that will shape our community for years to come. I feel that I have a good understanding of both the current needs of our residents, and a very good idea of where the Real Estate market is now, and where it is going to be in the future. No one can really predict the future, but we can all pull together and create our own Vision of where Clearwater will be in 10-20-30 years in the future.
