Additional Terms:

- Notwithstanding anything to the contrary, this Order Form is governed by the terms and conditions in the (1) Accela Subscription Services Agreement, dated June 17, 2024, as thereafter amended (where applicable) for Subscription Services, (2) Enhanced Reporting Database (ERD) Policy at [Accela Terms](#) for ERD, and (3) Managed Application Services (MAS) Policy at [Accela Terms](#) for MAS (collectively, the "Agreement").
- No additional or conflicting terms or conditions stated in Customer's order documentation, including, without limitation, purchase orders, will be incorporated into or form any part of this Order Form or the governing agreement, and all such terms or conditions will be null and void.
- All Software Licenses, Maintenance, and Subscription purchases are non-cancelable and non-refundable.
- If Customer has a prior agreement with Accela, and this purchase is co-termining with that prior agreement, if the start date on this Order Form is before the actual delivery date of the purchase, Accela may pro-rate this purchase so that it can co-term with the prior agreement.
- If this Order Form is executed or returned to Accela by Customer after the Order State Date above, Accela may adjust the Order Start Date and Order End Date without increasing the total price based on the date Accela activates the products and provided that the total term length does not change.
- Pricing is based upon payment by ACH and check. Payment by credit card (including Purchase Cards) for product and services in this Order Form will be subject to a service charge of 3%. There is no service charge for ACH or check payment.
- Customer may purchase additional licenses at the same price and for the same term as the licenses in this Order Form. Additional licenses purchased in this way will have the same annual price applicable for the purchase period and will have the same uplift and term dates as Customer's existing licenses.

8. If Customer has Enhanced Reporting Database, pricing will be based on a percentage of SaaS Annual Contract Value. As SaaS Annual Contract Value increases/decreases based on seat count changes or annual uplift ERD pricing will be adjusted accordingly at contract renewal.
