

# City Commission

## AGENDA ITEM REPORT

**Meeting:** City Commission - 02 Jul 2024  
**Presenter:** Andy Henjes Benitez, Public Works  
**Staff Contact:** Andres Henjes Benitez, Solid Waste Manager Ext. 4052 ahenjes@largo.com

### TITLE

Award Of The Extension Of The Current Contract For Yard Waste, Class III Waste And Construction Demolition Debris Disposal, To Angelo's Recycled Materials For A (2) Two Year Period From October 1, 2024 Through September 30, 2026 In The Estimated Total of \$1,840,000.

### SUMMARY:

The Award of Bid No. 21-B-727 was for two (2) separate vendors effective October 1, 2021 to September 30, 2024 for a three (3) year period pursuant to the terms and conditions contained in the bid document. The Solid Waste Division is currently utilizing a separate contract for services provided by Consolidated Resource Recovery, Inc, one of the two separate vendors. Conditions of the document also provide an option of renewal for an additional two (2) year period at which time pricing can be reviewed based on the current Consumer Price Index (CPI).

Angelo's Recycling Material (now referred to as GFL Environmental Inc. - Waste Management & Environmental Services) has chosen to extend services to all parties involved with the bid at a 5% increase changing the price from \$42 per ton to \$44.10 per ton beginning October 1, 2024 and ending September 30, 2026. An annual purchase order secures the prices for two (2) years, but does not guarantee either vendor a specific quantity.

In FY 2024, an estimated \$870,00 will be spent on disposal of Yard Waste, Class III Waste and Construction Demolition Debris.

The City of Dunedin, City of Clearwater and the City of Treasure Island are participants on this bid, but are responsible for their own disposal costs.

This bid contains a fiscal non-funding clause.

### BUDGET INFORMATION:

**BUDGETED AMOUNT:** \$1,621,200      **AVAILABLE AMOUNT:** \$1,840,000      **EXPENDITURE AMOUNT:** \$920,000

#### Additional Budgetary Information:

This memo authorizes the expenditure amount for the first year only. These funds are budgeted in programs (\$1,264,200) Roll-off Collection and (\$357,000) Residential Bulk Curbside Collection based upon the projected tonnage of collected materials from historical data.

#### Funding Source(s):

Solid Waste Fund

### CONSISTENT WITH:

Sustainability Plan
