**Subject:** Morton Myer for City Council

Dear Mayor and Council Members,

I have known Morton for awhile now and have known his family for a long time. He is a wonderful young man that LOVES this city and really wants to see Good done for it. He is very hard working and open to many points of view. He is not blinded by loyalties and truly would be a great Council Member. I recently sold him the Dairy Kurl on Gulf to Bay and you can see he has resurrected a Clearwater landmark business here. He loves doing this insisted on doing what the people wanted as he got flooded with requests to Keep it the Same!

I have seen his interest not only in Downtown but all over the city. He brings a new fresh voice to the council and lots of energy. Please consider him and you will not be sorry!

Best,

Nick Anderson
