The Clearwater Art and Design Board

Why do you wish to serve on this board/committee? If seeking reappointment, state why you should be reappointed.

I have previously served on arts and culture boards in other cities and found it to be a rewarding and important experience.

What personal qualifications can you bring to this board or committee?

I grew up in the North Greenwood community and spent most of my life there. As a child, I heard stories from the older generations about how valuable and rich Greenwood was. Later, when I moved to other states for school and work, I realized how important it is to hold on to my roots. Despite the changes that have occurred over the years, there are still many areas that require attention. My love for my community has always been strong, and I am eager to continue serving it in a way that encourages growth and harmony among my people.
