Length of Residency - please select one. * 1 to 5 years**Do you own or represent a business in Clearwater?** Yes No**If yes, where is the business located? Do you conduct business with the City?****Which Boards would you like to apply for?**

Environmental Advisory Board: Submitted

HomeCleanse

Employer

Chairman of the Board

Job Title

Occupation - If retired, enter former occupation.

Air Quality Expert

Have you served or do you serve on a board in Clearwater? Yes No**If yes, please list the name of the board.****Why do you wish to serve on this board/committee? If seeking reappointment, state why you should be reappointed.**

As an environmental expert in air quality, I think I can provide some value and would like to serve my community.

What personal qualifications can you bring to this board or committee?

I have several years of board experience as a co-founder of Change the Air Foundation where I currently reside as board chairman. I am a council-certified microbial remediation supervisor that requires 10 years of experience dealing with environmental cleanup. I have a nationwide for-profit environmental services entity called HomeCleanse where I currently reside as chairman of the board.

List Community Activities

I have lived in clearwater since October of 2022, this would be my first community activity I would be a part of.

Curriculum Vitae of Michael Rubino, CMRS

SUMMARY/OVERVIEW

Michael Rubino is board certified by the ACAC as a Certified Microbial Remediation Supervisor, carrying mold remediation licenses in New York, Florida, Louisiana, and Texas. He is an air quality expert who helps bridge the gap between the air in our homes and its direct impact on our health. Rubino works with over 10,000 doctors globally to not only raise awareness but also provide solutions to correctly identify and remove the pollutants causing this global health crisis. As President of HomeCleanse, he has been in business and performing remediation since July of 2013. He is a council-certified Mold Remediator by IICRC and ACAC and is a contributing member, sponsor, and speaker for the Indoor Air Quality Association. In December of 2020, he became author of *The Mold Medic: An Expert's Guide on Mold Removal*.

To date, he has been the direct manager of over 1,000 projects across the United States for purposes of microbial remediation and water mitigation.

EXPERIENCE

JMC CONTRACTING CORP, New York New York - June 2013 to May 2017

Microbial Remediation Supervisor

- Inspected homes and buildings utilizing third party inspection reports and laboratory data to create a scope of work.
- Informed clients and tenants of microbial hazards and the worksite plan to ensure worksite safety for the duration of the project.
- Supervised the scope of work for accuracy, efficacy, and safety for employees and occupants of the homes and buildings.
- Worked with third party consultants to ensure the space was brought back to a normal ecology at project completion.

HomeCleanse LLC, Freehold New Jersey - May 2017 to Present

Founder and Chairman

- Train teams of consultants to analyze inspection reports to ensure we have enough data to safely and confidently restore homes and buildings back to a normal ecology.
- Train teams of consultants to develop scopes of work off of adequate inspection reports and laboratory data to create safer environments for our clients.
- Train teams of project managers to supervise projects from start to finish for accuracy, efficacy, and safety for employees and occupants of the homes and buildings.
- Train educators in our educational facility to train our staff on our process aimed at correctly and effectively removing mold, bacteria and its byproducts from water damaged homes and buildings.
