Questionnaire

Question 1. What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1. * CDC Sec. 5-201 Lists the Powers and Duties: 1) To review and decide appeals from Level One Approvals 2) To review and decide applications for Level Two Approvals 3) To review and make recommendations to the City Council in regard to applications for Level three Approvals 4) to impose conditions on Level One and Level Two Approvals which are determined to be necessary to carry out the purposes of the Development Code 5) adopt rules for the conduct of the CDB meetings and/or establish committees

Question 2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2. * ☒ Yes ☐ No

Question 3. What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3. * CDC Sec. 5-202 CDB Membership reads in part "shall seek membership with diverse economic, social and professional representation". I would add economic diversity to the traditional appointees to the CDB who mostly represent development professions. I come from the Clearwater Neighborhoods Association that represents the individual homeowners and renters that are residents within our great city.

Question 4. Why do you want to serve on the Board(s)?

Answer 4. * I want to see Clearwater become the best City within Florida. As stated during the writing of the current CDC, Clearwater is a City in redevelopment. As such the code was written to allow flexibility for quality development. The CDC has provisions to implement this goal. The CDB has the responsibility to ensure that those provisions are fully followed benefiting the property owner, the neighbors and the city as a whole.
