Good Morning Mr. Wilmes,

The City's agreement with Flotech Environmental includes permission for piggybacking under Section 26: Assignability, item (b).

(b) The CONTRACTOR agrees to reasonably participate in the contract "piggybacking" programs pertinent to local governments.

If Flotech is in agreement with the City of Clearwater's use of the contract, the City of Oviedo provides concurrence.

Please feel free to contact me with any additional questions.

Respectfully,
Jacqueta

Good morning Mr. Cobb.

I write this morning regarding Flotech Environmental, and the cited ITB document.

Flotech Environmental has provided the subject ITB and resulting Agreement dated 14 October 2024 to the City of Clearwater for use as a "Piggyback" contract for the goods and services contained therein.

My review of the Agreement does not find that express permission has been provided by the City of Oviedo for use of the Agreement for the purposes of a "Piggyback" with another agency.

If the City of Oviedo approves of the use of the noted Agreement for the purpose it being used as a "Piggyback" contract with the City of Clearwater by Flotech Environmental, please provide concurrence at your earliest opportunity.

Please feel free to call or write with questions as they may occur.

Warm regards,

Ed Wilmes
