SUBJECT: Mid-Year budget review - amended City Manager's annual budget report

DATE: May 19, 2026

Attached is the mid-year budget review in accordance with the City Code of Ordinances.

This report is based on the first six months of activity in the current fiscal year (October 2025 through March 2026). Contained within are comments on major variances and documentation of proposed amendments.

Significant Fund amendments are outlined below:

General Fund

There are no amendments to the General Fund at mid-year.

General Fund Reserves: In order to ensure adequate reserves, the City Council's policy reflects that General Fund unappropriated fund reserves of 8.5% of the City's budgeted General Fund expenditures must be maintained as a reserve to guard against future emergencies.

Estimated General Fund reserves at mid-year are approximately \$73.4 million, or 32.8% of the fiscal year 2025/26 General Fund expenditure budget, exceeding our minimum reserve requirement by \$54.4 million.

Significant amendments to other city operating funds are noted as follows:
