PROCLAMATIONS/RESOLUTIONS

1. National Safe Boating Week

Chairman Wayne Bolla said that May 21-27, 2022, is Safe Boating Week in Clay County. As the weather warms, this is the perfect time to remind everyone to boat responsibly. Accidents happen too fast to reach for and put on a stowed life jacket. Boaters should wear a life jacket when on the water that is in good condition and properly fitted.

Present to accept the Proclamation are members of the U.S. Coast Guard Auxiliary Flotilla 14-8:

- Chuck Whipple
- Dan Hess

Chairman Wayne Bolla read the Proclamation for the National Safe Boating Week.

Commissioner Mike Cella made a motion for approval of the Proclamation, seconded by Commissioner James Renninger, which carried 5-0.

Mr. Whipple said he and Mr. Hess volunteer with the Coast Guard as part of the auxiliary branch. They focus on recreational boating safety and teach classes in Green Cove Springs once a month with a marine deputy. Mr. Whipple thanked the Board for the Proclamation.

Mr. Hess noted that they are the civil branch of the Coast Guard and have roughly 30,000 members nationwide. The Auxiliary members wear silver, and the regular Coast Guardsman wear the gold. The Coast Guard is the only armed force with an auxiliary established by Congress. The time put in by the auxiliary is used by the Coast Guard along with their hours to go to Congress for funds. Mr. Hess said they are here in force to protect the coast, the waters, and you. So be safe when you are out on your boats, no

drinking if you are driving, and keep your passengers in line.

2. Memorial Day/Military Service Day

Chairman Wayne Bolla noted that May 30, 2022, is Memorial Day and Military Service Day in Clay County. Memorial Day is a federal holiday set aside on the last Monday in May to pay our respects to the military personnel who died while serving in the United States Armed Forces. In the words of Harry S. Truman, "Our debt to the heroic men and valiant women in the service of our country can never be repaid. They have earned our undying gratitude. America will never forget their sacrifices."

Present to help us honor our fallen soldiers and accept the Proclamation:

- Green Cove Springs Mayor Ed Gaw
- Green Cove Springs City Council Members
- NAS Jacksonville Base Commander Captain Jeff Hill - Captain Hill was designated an unrestricted naval aviator in March 1999 and has flown MH-60R and SH-60B Seahawk helicopters throughout his extensive military career. On April 9, 2021, he became the 50th commanding officer of NAS JAX.

Commissioner James Renninger read the Proclamation for the Memorial Day/Military Service Day.

Chairman Wayne Bolla made a motion for approval of the Proclamation, seconded by Commissioner Kristen Burke, which carried 5-0.

Captain Hill thanked the Board for recognizing those that continue to serve and those that have served and gave the ultimate sacrifice. Often he talks about the relationship between NAS Jax and Clay County even though they are North of the border. So many of their individuals live and shop in Clay County. Their success, from a defense of our nation's perspective, could not be done without the support of Clay County. The success is inextricably linked to the men and women of Clay County. Captain Hill thanked the Commission for the Proclamation.

Mayor Gaw noted that Clay County is a military county and Green Cove, likewise a military city. If you have never been to RiverFest or the Memorial Day celebration in Spring Park, the park is one of the best-kept secrets of Northeast Florida. The event is the most sincere celebration, and every Veteran gets to speak and some of their stories you will take home with you. Mayor Gaw invited everyone to come celebrate; it is a day you will never forget. Mayor Gaw thanked the Commission and noted that it is always a pleasure working with them in every dimension.

Commissioner Renninger presented a PowerPoint to commemorate Memorial Day on Monday, May 30, 2022. See Attachment B. Commissioner Renninger said although some commemorate Memorial Day as the first day of Summer, the last day of the traditional school year, a day of good deal sales in the open market, or just another national holiday, this date is saved with much greater meaning. Although many have been

lost over the last 246 years of this republic, and he wanted to speak to a subgroup of about thirteen that exist within about seventy-five who have lost their lives in the last year. Thirteen brave men and women gave their lives during the extraction of forces from the Kabul Airport in Afghanistan on August 26th. Commissioner Renninger asked everyone to concentrate on the youth, the service, the diversity, and the families of the thirteen souls as we honor their service:

- **Marine Corps - Lance Corporal David L. Espinoza** - Rio Bravo, Texas - Laredo, Texas native, that embodied the values of America - grit, dedication, service, and valor. Lance Corporal Espinoza joined the Marine Corps to protect our nation. Lance Corporal Espinoza was 20 years old.
- **Marine Corps - Sergeant Nicole L. Gee** - Sacramento, California - 2016 Graduate of Oakmont High School. Days before her death, she posted a picture holding an Afghan child with a caption that said, "I love my job" - the day of her death she posted at the back of a C-17 with the caption "escorting evacuees onto this bird." Sergeant Gee was 23 years old.
- **Marine Corps - Staff Sergeant Darin T. Hoover** - Salt Lake City, Utah - Served valiantly as a marine and died serving his fellow countrymen as well as America's allies in Afghanistan. Sergeant Hoover was 31 years old.
- **Army - Staff Sergeant Ryan C. Knauss** - Corryton, Tennessee - His wife Alena Knauss was quoted as saying, "It is the ultimate honor he could give back to his country." He knew in high school that he wanted to serve in the US Army. Staff Sergeant Knauss was 23 years old.
- **Marine Corps - Corporal Hunter Lopez** - Indio, California - The son of two Riverside County Sheriff's officers-Captain Herman Lopez and Deputy Alicia Lopez, he planned on following in his parent's footsteps and joining the department as a deputy after his return from this deployment. Corporal Lopez was 22 years old.
- **Marine Corps - Lance Corporal Rylee J. McCollum** - Jackson, Wyoming - His father, Jim, told the NY Times that his son was helping with evacuations and guarding a checkpoint when the attack happened, and this was his first deployment. He had gotten married recently, and his wife is expecting their first child. Lance Corporal McCollum was 20 years old.
- **Marine Corps - Lance Corporal Dylan R. Merola** - Rancho Cucamonga, California - Graduated from Los Osos High School in Los Angeles - A lot of our students commit to the military when they get out of school, and we are so proud of them, said by a joint union high school district employee. He was also quoted as saying our hearts and prayers go out to his family and friends, and unfortunately, we have another Gold Star family in our district. Lance Corporal Merola was 20 years old.
- **Marine Corps - Lance Corporal Kareem M. Nikoui** - Norco, California - Died helping to save families of Afghans who had aided the US Government. The understanding is that he rescued three families and in the process of saving children, translators that had worked with US Government. He passed off a child and went back into the crowd and that is when the bomb went off. Lance Corporal Nikoui graduated from Norco High School in 2019 where he was a member of JROTC. His father said he loved what he was doing and he always wanted to be a marine. Lance Corporal Nikoui was 20 years old.
- **Marine Corps - Sergeant Johanny Rosario Pichardo** - Lawrence, Massachusetts - Assigned to the 5th Marine Expeditionary Brigade Naval Sport

Activity Bahrain. The Embassy of the Dominican Republic in Washington, DC offers its condolences to this young woman of Dominican origin. She is one of the victims of the recent terrorist attacks at the airport and was well known throughout the Marine Corps. Sergeant Pichardo was 25 years old.

- **Navy Hospital - Corpsman Maxton W. Soviak** - Berlin Heights, Ohio - His family says that he was proud of being a Navy Corpsman and "Devil Doc" for the Marines (if you do not know what that means, the Marine Corps has no medics, the Navy provides them all). Max leaves behind a big family of twelve brothers and sisters. Corpsman Soviak was 22 years old.
- **Marine Corps - Corporal Daegan W. Page** - Omaha, Nebraska - Joined the Marines after graduating from Millard South High School and grew up in Nebraska and Iowa. He had a tough outer shell but a giant heart and had these words tattooed on his chest "Death before Dishonor." Corporal Page was 23 years old.

Commissioner James Renninger said as you can see, these servicemen and women come from the Mid-West, the West Coast, and the East Coast; they came from every ethnicity and had family ties throughout the world. Each one left a mother, father, sister, brother, wife, child, friend, or a cherished shipmate behind. Our national anthem calls into question the durability of our nation with the final lyrics asking a question - "Oh, say does that star-spangled banner yet wave-O'er the land of the free and the home of the Brave." Let there be no mistake about it; as long as we have patriots such as these, our democracy will be enduring.

Commissioner Renninger invited everyone to the Memorial Day celebrations throughout the county on Monday, May 30, 2022:

- **City of Green Cove Springs** - Memorial Day RiverFest at Spring Park - 10:00 am to 9:00 pm
- **Town of Orange Park** - Memorial Day Service at Magnolia Cemetery - 9:00 to 10:00 am
- **City of Keystone Heights** - Memorial Day Service at KH Memorial Cemetery - 11:00 am
- **Penney Farms Retirement Community** - Memorial Day Celebration - 9:00 am

PRESENTATIONS

John Ward, Director of Emergency Management, addressed the Board regarding hurricane season. June 1, 2022, is the beginning of hurricane season. Mr. Ward gave a handout of a 2022 All-Hazards Preparedness Guide to the Commission. Anyone that has an association or group that is interested in having their team come and discuss preparedness, we would love to do so. They get a lot of questions asking if it will be an active season. There is a prediction of an above-average season; however, in 2020, there were 31 storms that had one of the record storms. 1992 was a slow season, but tell the people in South Florida that experienced Hurricane Andrew that was a slow season. Mr. Ward said it only takes one storm to impact our community. There were also significant impacts in Hurricane Matthew and Irma in 2016 and 2017. There was no landfall hurricane in our area; it was a sub-tropical system; by the time it got to us, it was still named a hurricane. There was not even sustained tropical storm forced winds; there was tropical storm-force gust, with trees down, power outages, and flooding from the

small isolated systems. Mr. Ward reiterated that it only takes one storm to affect our community. Mr. Ward noted that they had a great hurricane workshop yesterday. It was the first time they could bring the full EOC group together with all the partners in 2 years

APPROVAL OF MINUTES

3. Board of County Commissioner Meeting Minutes, May 10, 2022.
4. Finance and Audit Meeting Minutes, May 17, 2022.

Commissioner James Renninger made a motion for approval of the May 10, 2022, BCC meeting minutes and May 17, 2022, Finance and Audit meeting minutes, seconded by Commissioner Mike Cella, which carried 5-0.

PUBLIC COMMENTS

Chairman Wayne Bolla opened the floor for public comment at 4:30 pm.

Richard Klinzman, 1985 Timucua Trail, addressed the Board regarding his concern with the serious problem and what will continue to be a problem is the overgrowth in Clay County and the population increase that we are not ready for. Mr. Klinzman explained that his trip to the Olive Garden took over 90-minutes and should have been a 20-minute drive. On his usual drive today to the county, there are huge swathes of vacant land of what used to be a very nice forest. Three separate developments are going in the area, which looked to be tremendously huge, which would all empty into a two-lane road; we are not ready. Mr. Klinzman said, after listening to Mr. Ward's discussion about hurricane season, what happens if we have to evacuate. There are no plans to start dumping thousands and thousands of more cars onto an evacuation route to leave the county. Mr. Klinzman said if we had three people put a one-year moratorium in place on growth, and as long as those three were still here, he would beg you to extend it another ten years.

Hearing no other comments, Chairman Wayne Bolla closed public comment at 4:33 pm.

CONSENT AGENDA

5. Acceptance for Final Plat for Recording Rolling Hills Unit 2A (District 5, Commissioner Burke)

6. Finance Business

The Finance Department business is submitted to request approval and ratification by the Board for various warrants and disbursements in order to meet the requirements of Ch. 136.06 (1) FL Statute. Acceptance and disposal of various Board property and various documents are submitted for the Board's information. At times, approval is requested for various

finance related issues.

7. **Consent Agenda Items from the May 17th, 2022 Finance & Audit Committee Meeting**

Commissioner James Renninger requested to pull item six under the Consent Agenda for Finance Business.

Commissioner Mike Cella made a motion for approval of the Consent Agenda except item 6, seconded by Vice-Chairman Betsy Condon, which carried 5-0.

Commissioner James Renninger stated that he pulled item six because he noticed 20-25 computers were being sent to recycling. They are all newer than the ones he has in his home. Commissioner Renninger questioned the issue with those and whether there is a secondary use for those computers. If it gets approved tonight, the secondary option would be gone, and they would all go to recycling. They all are missing the hard drive as well, is that standard policy.

Troy Nagle, Assistant County Manager, explained those are surplus from the Tax Collector's office that slipped through the cracks of the normal process. They have spoken with the Tax Collector to make sure that those go through the county review in the future. Mr. Nagle said that the three-year life-cycle is what they normally rotate computers out at most county agencies. However, there is a use for those in our senior centers, libraries, or other entities that may not have access to newer technology. Mr. Nagle said the hard drive being removed is standard IT practice. Instead of trying to wipe the hard drive or potentially letting someone access proprietary data, they are destroyed. They will work with the Tax Collector, get possession of those computers, and put them into service somewhere.

Commissioner James Renninger made a motion for approval of the finance business except for the computers to research if they could provide use to another operation within the county, seconded by Commissioner Mike Cella, which carried 5-0.
