Airport Program Manager

Employer TY Lin International

Relevant Work Experience Mr. Renton has 40 years experience managing and administering both military and civilian airport projects and has served in senior airport management positions at three Hub Airports. Experienced Registered Professional Engineer with extensive experience as a Project Manager and Program Director in aviation facility and infrastructure programs. Intuitive Senior Advisor to client management on project execution, claims recovery, and issue resolution. Articulate communicator with proven track record in gaining consensus on solutions to complex problems. Extensive experience in a variety of management roles, including serving on the staff of three Hub Airports, and as the Military Assistant to the Deputy Secretary of the Air Force for Installations. Mr. Renton's experience includes solving a variety of unique issues, and participating on projects that include work in airfield pavement design, runway/taxiway bridge structures, drainage, airfield electrical, Nav aids, hydrant fueling systems, geotechnical investigation, terminal design, infrastructure design, baggage facilities, roadway design, transportation centers, and parking structures. Terminal planning, master plans, EA's, EIS's, construction management, and program management have also been accomplished under Mr. Renton's supervision. In addition to Mr. Renton's airport management background, he has also served as Aviation Director with four major consulting firms.

Mr. Renton's military career has paralleled his civilian career. After six years on active duty, Mr. Renton entered the Air Force Reserve, and has completed 30 years of service retiring as a full Colonel. From 1987 until retirement in 1997, Mr. Renton served as the Military Assistant to the Deputy Secretary of the Air Force for Installations. In that role, Col. Renton was assigned responsibility for the development of Air Base Operability policy and execution, the review of Air Force policy on facility construction.

Community Activities Served on the Board of the Eagle Estates Homeowners Association, and the Board of the Suncoast Chapter of the Penn State Alumni Association.

Questionnaire

Question 1. What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1. * As the title of the Boards suggest, the primary role is advisory. I would expect members of the Boards to contribute through the relevant experience they bring to the subject matter of each Board.

Question 2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2. * Yes No

Question 3. What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3. * I have spent over 50 years in the work place with my experience coming in both a management and worker role. I am applying for the Airpark Advisory Board and in terms of experience with airports and aviation, my entire 50 years experience has been at airports and in the aviation world as a military engineer, a civilian engineer at all types of airports, and on airport senior management staff.

Question 4. Why do you want to serve on the Board(s)?

Answer 4. * I would like to contribute to my community using the skills and knowledge I have acquired over the length of my career. I truly enjoy my career field and as I wind down towards retirement I now have the time to contribute.

Date * 5/4/2019
