Hello my name is Eduart Papadhami, owner of 307 Avanda ct and 1316 Pierce st. This letter is for the Municipal Code Enforcement Board, my reason for writing this is to request a Lien Reduction. The properties were brought into compliance, the first violation for 307 Avanda ct was corrected on Oct 12, 2017, and for 1316 Pierce street's violation it was corrected on March 16, 2018. The violation for 307 Avanda ct was to resurface the parking lot, and the other violation for 1316 Pierce st was to paint the metal stair case, the hurricane shutters, and some other corrections. If it's possible I would like to meet with the city of Clearwater's Municipal Code Enforcement Board on March 28, 2018. I hope I still have the time to fit in on that date. I do thank Nicole Sprague for advising me on this matter.

Thank you, Eduart Papadhami
