\* The fees for actuarial valuations are applicable for 2017. Fees for subsequent actuarial valuations will be increased by the change in the CPI-U index from December of one year to December of the next year, not to exceed 3% per year.

\*\* The hourly rates are applicable through June 2017. The rates are updated annually each July 1st, generally to reflect inflation and changes in the cost of overhead. Based on current inflation forecasts, these rates are not expected to increase by more than 3% annually for the term of the contract.
