QUESTIONNAIRE

1. Exceptions*

Proposers shall indicate any and all exceptions taken to the provisions or specifications in this solicitation document. Exceptions that surface elsewhere and that do not also appear under this section shall be considered invalid and void and of no contractual significance.

Do you have any exceptions to the provisions or specifications?

No

2. Additional Materials*

Have you included any additional materials?

No

3. Certified Business*

Are you a Certified Small Business or a Certified Minority, Woman or Disadvantaged Business Enterprise?

No

4. Vendor Certification*

By submitting this response, the Vendor hereby certifies that:

- A. It is under no legal prohibition on contracting with the City of Clearwater.

- B. It has read, understands, and is in compliance with the specifications, terms and conditions stated herein, as well as its attachments, and any referenced documents.
- C. It has no known, undisclosed conflicts of interest.
- D. The prices offered were independently developed without consultation or collusion with any of the other vendors or potential vendors or any other anti-competitive practices.
- E. No offer of gifts, payments or other consideration were made to any City employee, officer, elected official, or consultant who has or may have had a role in the procurement process for the commodities or services covered by this contract. The Vendor has not influenced or attempted to influence any City employee, officer, elected official, or consultant in connection with the award of this contract.
- F. It understands the City may copy all parts of this response, including without limitation any documents or materials copyrighted by the Vendor, for internal use in evaluating respondent's offer, or in response to a public records request under Florida's public records law (F.S. Chapter 119) or other applicable law, subpoena, or other judicial process; provided that the City agrees not to change or delete any copyright or proprietary notices.
- G. It hereby warrants to the City that the Vendor and its subcontractors will comply with, and are contractually obligated to comply with, all federal, state, and local laws, rules, regulations, and executive orders.
- H. It certifies that Vendor is not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded, or disqualified from participation in this matter from any federal, state, or local agency.
- I. It will provide the commodities or services specified in compliance with all federal, state, and local laws, rules, regulations, and executive orders if awarded by the City.
- J. It is current in all obligations due to the City.
- K. It will accept all terms and conditions as set forth in this solicitation if awarded by the City.
- L. The signatory is an officer or duly authorized representative of the Vendor with full power and authority to submit binding offers and enter into contracts for the commodities or services as specified herein.

Confirmed

5. E-Verify System Certification*

PER FLORIDA STATUTE 448.095, CONTRACTORS AND SUBCONTRACTORS MUST REGISTER WITH AND USE THE E-VERIFY SYSTEM TO VERIFY THE WORK AUTHORIZATION STATUS OF ALL NEWLY HIRED EMPLOYEES.

The affiant, by virtue of confirming below, certifies that:

- A. The Contractor and its Subcontractors are aware of the requirements of Florida Statute 448.095.
- B. The Contractor and its Subcontractors are registered with and using the E-Verify system to verify the work authorization status of newly hired employees.
- C. The Contractor will not enter into a contract with any Subcontractor unless each party to the contract registers with and uses the E-Verify system.
- D. The Subcontractor will provide the Contractor with an affidavit stating that the Subcontractor does not employ, contract with, or subcontract with unauthorized alien.
- E. The Contractor must maintain a copy of such affidavit.
- F. The City may terminate this Contract on the good faith belief that the Contractor or its Subcontractors knowingly violated Florida Statutes 448.09(1) or 448.095(2)(c).
- G. If this Contract is terminated pursuant to Florida Statute 448.095(2)(c), the Contractor may not be awarded a public contract for at least 1 year after the date on which this Contract was terminated.
- H. The Contractor is liable for any additional cost incurred by the City as a result of the termination of this Contract.

Confirmed

6. Vendor's Proposal*

Upload a copy of your proposal with the information requested as detailed in the solicitation titled 53-25 Police Vehicle Upfitting Services.

REQUEST FOR PROPOSAL 53-25, POLICE VEHICLE UPFITTING SERVICES

Global Public Safety

August 25, 2025

Lori Vogel, CPPB

City of Clearwater

Procurement Manager

Lori.vogel@myclearwater.com

Subject: Proposal Submission – Police Vehicle Upfitting Services 53-25

Dear Lori Vogel,

Global Public Safety is pleased to submit this proposal in response to the City of Clearwater's request for vehicle upfitting services. We understand the critical nature of outfitting law enforcement vehicles with precision, consistency, and reliability.

We are committed to performing all services within the specified timeframes while maintaining the highest standards of quality and accountability. Our team of certified professionals is prepared to serve as your dedicated partner throughout this project.

Key contacts for this proposal are:

- Ryan Rogers, Operations Director - 407-663-4324
Ryan.rogers@globalpublicsafety.us
- Red Lovett, Southeast Regional Operations Manager - 321-307-0544
Red.lovett@globalpublicsafety.us
- Gerry Campos, Vice President - 301-395-0380
Gery.campos@globalpublicsafety.us
- David Van Scoyoc, CEO & President – 301-526-4980
David@globalpublicsafety.us

We appreciate your consideration and look forward to the opportunity to support the City's public safety mission.

Sincerely,

Gerry Campos, Vice President Global Public Safety, LLC

Corporate

TAB 2: A. Experience and Qualifications

A. Relevant Experience

- Global Public Safety brings over 20 years of specialized experience in upfitting law enforcement and emergency response vehicles for both local municipalities and federal agencies across the United States. Our team has successfully outfitted thousands of vehicles—from marked patrol units and K-9 transports to covert vehicles—ensuring each build meets the rigorous operational demands of public safety professionals.
- With deep expertise in integrating complex electrical systems, communications equipment, lighting packages, and custom fabrication, we deliver turnkey solutions that prioritize officer safety, equipment reliability, and long-term durability. Our longstanding relationships with agencies such as the United States Postal Inspector Services reflect our commitment to quality, compliance, and on-time delivery.
- Global Public Safety operates 11 strategically located facilities throughout the East Coast of the United States, including three high-capacity installation centers in Florida—Orlando, Tallahassee, and Jacksonville. This geographic reach enables rapid deployment, regional scalability, and consistent service delivery across multi-agency contracts.- Completed projects for a wide range of local, state, and federal agencies, including:
 - Kissimmee Police Department – Upfitted patrol vehicles with Whelen lighting systems, Setina push bumpers, and custom console configurations to support high-visibility urban operations.
 - U.S. Marshals Service – Delivered covert surveillance vehicle builds with integrated communications, hidden lighting, and secure storage solutions for tactical deployments. Vehicles were deployed across the continental United States and overseas, supporting federal operations in both domestic and international jurisdictions.
 - Leesburg Police Department – Retrofitted fleet with upgraded sirens, prisoner partitions, and in-vehicle camera systems, ensuring compliance with agency-specific standards.
 - Florida Highway Patrol – Installed mobile data terminals, radio systems, and rear cargo organizers across pursuit-rated vehicles, with full post-installation training and support.
 - United States Secret Service – Outfitted specialized vehicles with encrypted communications systems, low-profile emergency lighting, and reinforced cargo compartments to support protective operations and field investigations

B. Certifications

Certifications & Compliance

- Whelen-Certified Installer (CORE Certified)

Authorized to install and service Whelen emergency lighting and siren systems, including advanced CORE control systems. Installers are certified in both standard and CORE technologies, ensuring full integration, diagnostics, and programming capabilities for high-performance emergency vehicle builds.

- EVT-Certified Installers

Team includes Emergency Vehicle Technician (EVT) certified professionals with specialized training in upfitting, diagnostics, and maintenance of law enforcement and emergency response vehicles.

C. Key Personnel

Name	Role	Qualifications
Jahmal Dee	Lead Technician	Whelen CORE Certified, 6+ years in emergency vehicle upfitting
Ryan Rogers	Director of Operations	12 years overseeing fleet project's multi-location with strengths in client relations and compliance, as well as managing scheduling, production, and quality control.
Red Lovett	Southeast Regional Operations Manager	Over 10 years of experience overseeing projects, customer support, and operational execution across public safety contract.

Name	Role	Qualifications
Gerry Campos	Vice President	With 20+ years leading multi-location fleet upfitting, Gerry excels in client relations, compliance, and operational execution— driving accountability, production efficiency, and quality control to meet agency standards across Global Public Safety’s facilities.
David Van Scoyoc	President & CEO	With 30+ years leading strategic growth in public safety operations, David drives high-level execution across client partnerships, regulatory compliance, and multi-site performance. His leadership spans financial oversight, business development, and organizational alignment, ensuring Global Public Safety delivers scalable, reputation-driven solutions to law enforcement and emergency response agencies nationwide.

Service: Upfitting of over 250 marked and unmarked vehicles, including lighting systems, prisoner transport configurations, weapon mounts, and integrated electronics

Dates: April 2021 – Present

TAB 3- Technical Approach and Work Plan

A. Understanding of the Scope of Work and Requirements

Global Public Safety understands the critical importance of delivering compliant, reliable, and mission-ready vehicle upfitting services for law enforcement agencies. The scope of work includes:

- Upfitting marked and unmarked vehicles with lighting systems, sirens, consoles, push bumpers, prisoner partitions, weapon mounts, and surveillance equipment
- Ensuring all installations meet agency-specific specifications, safety standards, and applicable federal/state regulations

Our team has successfully delivered over 250 vehicles for Anne Arundel County PD and completed projects for Kissimmee PD, Leesburg PD, and federal agencies including the U.S. Secret Service and Florida Highway Patrol.

B. Proposed Installation Process and Quality Control Measures

Our installation process is designed for precision, accountability, and scalability:

Installation Workflow:

1. Pre-Install Review
 - Confirm vehicle specs and agency requirements
 - Assign technician teams and validate parts inventory
2. Standardized Build Sheets
 - Use agency-approved templates to ensure uniformity
 - Include diagrams, part numbers, and mounting instructions
3. Installation Execution
 - Technicians follow documented procedures with sign-offs at each stage
 - Supervisors conduct mid-point inspections to verify progress

4. Final Inspection & Testing

- Validate all electrical connections, lighting patterns, and equipment functionality
- Conduct road tests and safety checks

Quality Control Measures:

- Dedicated QC personnel review each vehicle against agency specs
- Use of serialized checklists and digital photo documentation
- Escalation protocols for any deviations, with corrective actions logged and tracked
- Client sign-off required before vehicle release

C. Timeline for Completing Vehicle Upfitting

We typically will complete 3–5 vehicles per week, depending on complexity, parts availability, and agency coordination. This pace ensures consistent quality control, technician accountability, and predictable delivery timelines. Expedited services are available upon request and can be accommodated with prior scheduling.

D. Approach to Maintaining Consistency Across All Vehicles

Consistency is maintained through:

- **Standardized Build Documentation:** Each agency receives a master build sheet approved prior to installation
- **Technician Training:** All installers are trained on agency-specific protocols and equipment handling
- **Dedicated Project Manager:** A single point of contact oversees scheduling, documentation, and client communication
- **Digital Tracking System:**

We utilize GoCanvas to generate and manage three key reports for each vehicle:

- **Check-In Report:** Completed at the time of vehicle drop-off to confirm no pre-existing damage and document vehicle condition

- Installations Shop Report: Tracks milestones, technician notes, and part usage throughout the build. This report includes photographic documentation of all installed equipment, ensuring visual verification and traceability for every component.
- Final Check Out Report: Captures post-installation testing results, photos, and client sign-off

These reports are stored digitally and linked to each vehicle's record for full traceability and audit readiness.

- Post-Delivery Audits: Randomized audits are conducted on completed vehicles to ensure long-term consistency and client satisfaction

TAB 4 – Facility Capabilities and Security

A. Facility Footprint

Global Public Safety operates three dedicated installation facilities across Florida, strategically located to serve municipal, state, and federal clients:

- Orlando – Central hub for high-volume upfitting and project management
- Tallahassee – Serves northern Florida agencies and supports state-level contracts
- Jacksonville – Positioned for rapid response to coastal and northeast Florida clients

Orlando Facility Specifications

- Size: 15,000 sq. ft. of operational space
- Capacity: Accommodates storage and active upfitting of 18–20 vehicles indoors
- Functionality: Includes dedicated zones for fabrication, electronics testing, staging, and final inspection
- Security: Full coverage via 24/7 surveillance cameras, and controlled access

Tallahassee Facility Specifications

- Size: 10,000 sq. ft. of operational space
- Lot Capacity: Fenced exterior lot capable of storing 50+ vehicles
- Security: Facility and lot monitored by 24/7 surveillance cameras, with restricted access protocols

Jacksonville Facility Specifications

- Size: 12,000.00 sq. ft. of operational space
- Indoor Capacity: Can store up to 15 vehicles inside for staging and installation

- Security: Equipped with surveillance camera coverage throughout the facility and vehicle zones
- Functionality: Supports rapid deployment and service for coastal and northeast Florida agencies

Layout Across All Facilities

- Multiple installation bays with overhead power, lighting, and tool stations
- Staging areas for inbound/outbound vehicle processing and inventory prep
- Segregated zones for fabrication, electronics integration, and quality control

Security Measures

- All facilities protected by high-definition surveillance systems, covering entry points, installation bays, staging zones, and restricted areas
- Gated perimeters and controlled access protocols where applicable
- Visitor check-in procedures

B. Locations

Orlando Facility

- Address: 4240 L B McLeod Rd, Orlando, FL 32811
- Distance from Clearwater Police Department: Approximately 100 miles
- Ford Drop Ship Code: Active — vehicles can be shipped directly from the manufacturer to this location
- Delivery Service: Available for agencies located outside a 22-mile radius
- Vehicles will be transported at no cost to Clearwater Police Department

Tallahassee Facility

- Address: 316 Marpan Ln, Tallahassee, FL 32305
- Distance from Clearwater Police Department: Approximately 220 miles
- Ford Drop Ship Code: Active — vehicles can be shipped directly from the manufacturer to this location
- Delivery Service: Available for agencies located outside a 22-mile radius
- Vehicles will be transported at no cost to Clearwater Police Department

Jacksonville Facility

- Address: 5605 Florida Mining Blvd S, Jacksonville, FL 32257
- Distance from Clearwater Police Department: Approximately 200 miles
- Ford Drop Ship Code: Active — vehicles can be shipped directly from the manufacturer to this location
- Delivery Service: Available for agencies located outside a 22-mile radius
- Vehicles will be transported at no cost to Clearwater Police Department

C. Vehicle Security

- **24/7 Monitored Storage:** All vehicles are stored in secure, camera-monitored facilities with surveillance coverage across installation bays, staging areas, and exterior lots
- **Insurance Coverage:** Comprehensive insurance is maintained throughout the installation process, covering vehicle contents, equipment, and labor-related risk
- **Key Management Protocols:** Secure key control procedures are enforced at all locations, including locked key safes, restricted access, and documented handoff protocols to ensure chain-of-custody integrity

TAB 5 – Customer Service and Support

A. Warranty Services

- Labor Warranty

Global Public Safety warrants all labor and installation services for a period of 12 months from the date of delivery. This warranty covers workmanship, installation integrity, and any labor-related issues arising from the upfitting process. All corrective actions will be performed at no cost to the agency within the warranty period.

- Equipment Warranty
- Whelen Lighting Products: Covered under a 10-year manufacturer warranty, ensuring long-term reliability and protection against defects in materials and workmanship
- Whelen Speaker Units: Covered under a 2-year manufacturer warranty
- Additional equipment warranties vary by manufacturer and product type. Extended coverage options may be available upon request.

B. Responsiveness

- Dedicated Service Line

Global Public Safety provides a direct service support line for all client agencies, ensuring streamlined communication for warranty claims, technical assistance, and scheduling needs.

- Response Time

All service inquiries are addressed within 24-48 hours, with priority escalation available for urgent operational issues or mission-critical vehicles.

- On-Site Support

On-site technical support is available upon request, including diagnostic assessments, warranty repairs, and installation corrections. Field service teams are dispatched based on location, urgency, and agency preference.

C. Communication Protocol

- Weekly Status Updates

Global Public Safety provides weekly progress reports to client agencies, detailing vehicle status, installation milestones, and any pending action items. Updates are delivered via email or scheduled calls, based on agency preference.

- Designated Point-of-Contact

Each project is assigned a dedicated project manager who serves as the single point-of-contact for scheduling, technical questions, documentation, and issue resolution. This ensures continuity, accountability, and streamlined communication throughout the project lifecycle.

- Escalation Procedures for Urgent Issues

Urgent matters—such as mission-critical vehicle delays or equipment failures—are escalated immediately to senior operations leadership. A response protocol is initiated within 4 hours, with direct coordination between technical staff and agency representatives to resolve the issue and minimize operational impact.

TAB 6 – Cost of Services

A. Additional Products and Services

Global Public Safety offers a range of premium enhancements to meet agency-specific operational needs:

- Advanced Lighting Packages – Multi-mode LED systems, integrated flash patterns, and stealth configurations
- Surveillance Systems – Interior/exterior cameras with live-feed capability and secure data storage
- Weapon Mounting Solutions – Lockable, quick-access mounts for rifles, shotguns, and less-lethal equipment
- Mobile Data Terminals (MDTs) – Ruggedized tablets, docking stations, and connectivity hardware
- K-9 Transport Modules – Climate-controlled enclosures with safety barriers and remote monitoring
- Battery Management Systems – Dual battery setups with automatic isolation and power prioritization
- Vehicle Armor Options – Ballistic paneling for doors, windows, and cargo areas (NIJ-rated)

B. Custom Configurations

Each vehicle can be tailored to agency protocols and officer preferences:

- Console Layouts – Ergonomic designs with customizable switch panels, cup holders, and storage
- Radio & Communication Integration – Seamless installation of agency radios, repeaters, and antennas
- Cargo Management Systems – Modular shelving, slide-out trays, and secure compartments
- Decal & Branding Packages – Reflective graphics, agency logos, and compliance markings

REQUEST FOR PROPOSAL
53-25
POLICE VEHICLE UPFITTING SERVICES

- Specialty Equipment Mounts – Custom brackets for radar, license plate readers, and scene lighting

B. Cost-effectiveness and value to the city

Global Public Safety delivers measurable value to law enforcement agencies through a combination of cost-efficiency, reliability, and scalable service delivery:

- Competitive Pricing

Our pricing structure is designed to meet agency budgets without compromising quality. Volume discounts, bundled service options, and transparent cost breakdowns ensure fiscal accountability and procurement compliance.

- Long-Term Durability

All upfitting components are sourced from vetted manufacturers and installed to withstand high-demand field conditions. From lighting systems to mounting hardware, every product is selected for extended lifecycle performance and minimal failure rates.

- Reduced Maintenance Costs

Our installations prioritize clean wiring, modular layouts, and service-friendly access points—reducing downtime and simplifying future repairs. Agencies benefit from lower total cost of ownership and fewer service interruptions.

- Scalable Service Model

With three Florida-based facilities and mobile installation capabilities, Global Public Safety supports multi-agency deployments, staggered rollouts, and rapid response needs. Our infrastructure allows for seamless scaling across local, state, and federal contracts.

TAB 7 – Delivery and Turnaround Time

A. Completion Rate

- Minimum Throughput

Each Global Public Safety facility maintains a baseline production rate of at least 3 fully upfitted vehicles per week, ensuring consistent delivery across standard schedules.

- Surge Capacity

For agencies requiring accelerated timelines, Global Public Safety leverages its three Florida-based facilities—Orlando, Tallahassee, and Jacksonville—to increase output based on current shop schedules and resource availability. This multi-site coordination allows for flexible scaling without compromising quality or compliance.

B. Schedule Adherence

- Project Management Software Tracking

All vehicle upfitting projects are tracked using digital project management tools, ensuring real-time visibility into task completion, resource allocation, and delivery timelines. This system supports proactive adjustments and transparent reporting.

- Daily Progress Logs

Each facility maintains daily installation logs, documenting technician activity, component status, and any deviations from schedule. These logs are reviewed by shop managers and shared with leadership to ensure accountability and timely escalation.

- Contingency Planning for Delays

In the event of supply chain disruptions, staffing shortages, or unforeseen technical issues, Global Public Safety activates contingency protocols. These include cross-facility resource reallocation, client notification procedures, and revised delivery schedules to minimize operational impact.

SCRUTINIZED COMPANIES FORMS

SCRUTINIZED COMPANIES AND BUSINESS OPERATIONS WITH CUBA AND SYRIA CERTIFICATION FORM

IF YOUR BID/PROPOSAL IS \$1,000,000 OR MORE, THIS FORM MUST BE COMPLETED AND SUBMITTED WITH THE BID/PROPOSAL. FAILURE TO SUBMIT THIS FORM AS REQUIRED MAY DEEM YOUR SUBMITTAL NONRESPONSIVE.

The affiant, by virtue of the signature below, certifies that:

- 1. The vendor, company, individual, principal, subsidiary, affiliate, or owner is aware of the requirements of section 287.135, Florida Statutes, regarding companies on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaging in business operations in Cuba and Syria; and
2. The vendor, company, individual, principal, subsidiary, affiliate, or owner is eligible to participate in this solicitation and is not listed on either the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Sector List, or engaged in business operations in Cuba and Syria; and
3. Business Operations means, for purposes specifically related to Cuba or Syria, engaging in commerce in any form in Cuba or Syria, including, but not limited to, acquiring, developing, maintaining, owning, selling, possessing, leasing or operating equipment, facilities, personnel, products, services, personal property, real property, military equipment, or any other apparatus of business or commerce; and
4. If awarded the Contract (or Agreement), the vendor, company, individual, principal, subsidiary, affiliate, or owner will immediately notify the City of Clearwater in writing, no later than five (5) calendar days after any of its principals are placed on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Sector List, or engaged in business operations in Cuba and Syria.

SCRUTINIZED COMPANIES FORMS

SCRUTINIZED COMPANIES THAT BOYCOTT ISRAEL LIST CERTIFICATION FORM

THIS FORM MUST BE COMPLETED AND SUBMITTED WITH THE BID/PROPOSAL. FAILURE TO SUBMIT THIS FORM AS REQUIRED MAY DEEM YOUR SUBMITTAL NONRESPONSIVE.

The affiant, by virtue of the signature below, certifies that:

- 1. The vendor, company, individual, principal, subsidiary, affiliate, or owner is aware of the requirements of section 287.135, Florida Statutes, regarding companies on the Scrutinized Companies that Boycott Israel List, or engaged in a boycott of Israel; and
2. The vendor, company, individual, principal, subsidiary, affiliate, or owner is eligible to participate in this solicitation and is not listed on the Scrutinized Companies that Boycott Israel List, or engaged in a boycott of Israel; and
3. "Boycott Israel" or "boycott of Israel" means refusing to deal, terminating business activities, or taking other actions to limit commercial relations with Israel, or persons or entities doing business in Israel or in Israeli-controlled territories, in a discriminatory manner. A statement by a company that it is participating in a boycott of Israel, or that it has initiated a boycott in response to a request for a boycott of Israel or in compliance with, or in furtherance of, calls for a boycott of Israel, may be considered as evidence that a company is participating in a boycott of Israel; and
4. If awarded the Contract (or Agreement), the vendor, company, individual, principal, subsidiary, affiliate, or owner will immediately notify the City of Clearwater in writing, no later than five (5) calendar days after any of its principals are placed on the Scrutinized Companies that Boycott Israel List, or engaged in a boycott of Israel.

Compliance with Anti-Human Trafficking Laws

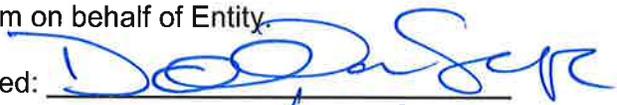

Pursuant to Section 787.06 (13), Florida Statutes, this form must be completed by an officer or representative of a non-governmental entity when a contract is executed, renewed, or extended between the non-governmental entity and the City of Clearwater.

The undersigned, on behalf of the entity listed below ("Entity"), hereby attests under penalty of perjury that:

Entity does not use coercion for labor or services as defined in Section 787.06, Florida Statutes.

The undersigned is authorized to execute this form on behalf of Entity.

Date: August 26th, 2025

Signed: 

Entity: GLOBAL PUBLIC SAFETY, LLC

Name: DAVID P. VAN SCOYOC

Title: PRESIDENT & CEO

Request for Taxpayer Identification Number and Certification

Give Form to the requester. Do not send to the IRS.

Go to www.irs.gov/FormW9 for instructions and the latest information.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.
GLOBAL Public SAFETY, LLC

2 Business name/disregarded entity name, if different from above

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.

Individual/sole proprietor or single-member LLC

C Corporation

S Corporation

Partnership

Trust/estate

Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) **P**

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

Other (see instructions)

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from FATCA reporting code (if any) _____

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.
7449 RACE ROAD Suite 100

6 City, state, and ZIP code
HANOVER, MD 21076

7 List account number(s) here (optional)

Requester's name and address (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number								
				-				
or								
Employer identification number								
81	-	5162515						

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.
