**RE: PIGGYBACK OF LEE COUNTY, FLORIDA ODOR AND CORROSION CONTROL SERVICES AGREEMENT**

Dear Ms. Goodrich:

First, let me thank you again for your continued interest in Evoqua Water Technologies and for your confidence in our ability to solve your hydrogen sulfide odor and corrosion control needs.

Per our discussions, Evoqua Water Technologies was awarded a five-year contract with Manatee County, Florida on May 22, 2018 for Odor and Corrosion Control Services that the City of Clearwater has been piggybacking for your odor and corrosion program. This contract is expiring May 21, 2023 and Manatee County has decided to enter into a sole source contract with Evoqua Water Technologies and will not be renewing the existing contract. However, we have a similar contract with Lee County and are pleased to offer the City of Clearwater the option to utilize this contract for your wastewater odor and corrosion control program. Based on the Lee County and Manatee County contracts, this new pricing for the City of Clearwater would start on May 22, 2023 through May 13, 2024.

I have attached copies of the Lee County Odor and Corrosion Control Agreement RFP170384ANB for your reference.

Under the Lee County contract agreement, the new pricing for the products and services you are currently using are as follows and are listed in the Lee County contract documents.

**50% Hydrogen Peroxide: \$0.49/lbs**

**Odophos: \$1.68/Gallon**

**Equipment and Services: \$971.00 per month at sites with new equipment.**

All terms are per the existing Lee County, FL contract and shall apply. The above prices do not include any applicable taxes.

This Lee County contract pricing is in effect from May 14, 2023, through May 13, 2024.

Thank you again for the opportunity to be of service. We look forward to continuing to serve the City of Clearwater in the years to come. If you have any questions regarding this information or if I can be of assistance in any way, please do not hesitate to call me at (352) 804-5706.

Sincerely,

**Evoqua Water Technologies LLC**
