NOTICE OF FUNDING AVAILABILITY CITY OF CLEARWATER, FLORIDA FY 2024-2025 ANNUAL ACTION PLAN COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM AND HOME INVESTMENT PARTNERSHIPS PROGRAM

The City of Clearwater is estimated to receive **\$913,337** in grant allocation funds under the Community Development Block Grant (CDBG) Program and **\$532,649** in grant allocation funds under the HOME Investment Partnerships (HOME) Program for Federal Fiscal Year (FY) 2024-2025 beginning October 1, 2024. Funds can only be used in the incorporated limits of the City of Clearwater. However, an agency that is located outside the City may receive funding if they provide documented services for city residents.

Federal funding authorization for the CDBG Program and the HOME Program is through the U.S. Department of Housing and Urban Development. In addition to the grant allocations, the City anticipates that it will receive program income from the federal CDBG and HOME Programs.

These funds will primarily be used for housing, community, and economic development activities. A portion of the funds listed above may be used for City conducted and/or sponsored projects and may not be available for allocation to applicants. Federal regulations applicable to these programs dictate funding availability for certain projects. Proposals for new projects will be accepted beginning on February 14, 2024. Suggestions for new projects/activities for FY 2024-2025 may be presented and should address one or more of the following strategies:

- Promote better livable opportunities in a designated Neighborhood Revitalization Strategy Area (NRSA); NRSA maps are located at www.myclearwater.com/NRSAmaps
- Promote affordable housing for renters and/or homebuyers
- Promote efforts/activities to end chronic homelessness
- Provide outreach and housing opportunities for homeless individuals and families
- Provide assistance to victims of domestic violence
- Promote economic opportunities for very low- to moderate- income individuals
- Provide assistance to the elderly, persons with disabilities, and persons with HIV/AIDS
- Develop public facility projects in the NRSAs
- Promote efforts to reduce lead poisoning in children
- Promote opportunities to end poverty (job training, employability skills, educational attainment, and other related activities)
- Promote opportunities to assist public housing residents to become self-sufficient
- Promote opportunities for individuals to reduce their dependency on alcohol and drugs
- Promote fair housing opportunities

Eligible activities may include, but are not limited to, rehabilitation and preservation of buildings and improvements; acquisition and disposition of real property; acquisition, construction, reconstruction, rehabilitation or installation of public facilities and improvements; economic development activities; and activities by subrecipients to carry out neighborhood revitalization, energy conservation projects, and related projects.

Applications for organizations desiring to participate in the City of Clearwater Housing Pool for activities involving down payment assistance/gap financing, land acquisition, new construction, and rehabilitation of single- and multi-family housing will be accepted from eligible participants on a year-round basis while funds remain available.

The City will be utilizing an online application that can be found by clicking the [Apply Here](#) button located at www.myclearwater.com/housingnotices beginning February 14, 2024.

Applications must be submitted via the City's website no later than **11:59 p.m. on March 15, 2024**.

You are receiving this email because you are a potential grant applicant for the City of Clearwater's Community Development Block Grant (CDBG) program funded by the United States Department of Housing & Urban Development. We have made changes to our Public Service and Public Facility Improvement programs to encourage the availability of new and expanded services for Clearwater residents. We have also increased our maximum grant awards. Public Services will have a minimum request of \$25,000 and a maximum request of \$50,000. Public Facility Improvement grant applications will have a maximum request of \$190,000. This will result in fewer grant awards, so this year's application cycle is expected to be more competitive than in previous years. Our grant application went live this morning, February 14, and will close on Friday, March 15 at 11:59pm. A Notice of Funding Availability (attached to this email) is posted in today's edition of the Tampa Bay Times. Effective immediately, you can access the City's Affordable Housing & Community Development webpage and start an application <https://www.myclearwater.com/Business-Development/Information-for-Developers-of-Affordable-Housing/Notices-Economic-Development-Affordable-Housing>. Please feel free to reach out directly to me or my team if you have any questions.

For application questions and technical support:

- Irin Gomez – (727) 444-7164; Irin.Gomez@MyClearwater.com

Note: our phone numbers have recently changed. Please update your records.

There will also be an Application Workshop scheduled for Tuesday, February 27 at 10am. The Workshop will be held on the Zoom platform and will be structured to help you complete an eligible application. If you plan to apply during this year's grant application period, your attendance at the Workshop is strongly encouraged. If you or a representative from your organization attends the Workshop, your application will receive additional points as applications are reviewed and scored. A higher score may increase the likelihood that your funding request is approved. Multiple people from your organization are welcome to attend; however more than one attendee will not increase your scoring. A Zoom meeting link will be sent to everyone on this email and information regarding this Workshop will be posted on the City's website (link above).

Thank you for your interest in assisting Clearwater residents.

CITY OF CLEARWATER

PROPOSED PROGRAM YEAR 2024 ANNUAL ACTION PLAN

30-DAY PUBLIC COMMENT PERIOD & PUBLIC HEARINGS

The City of Clearwater is hereby publishing the proposed Annual Action Plan (AAP) for Federal Fiscal Year (FY) 2024 to allocate federal funding from the Community Development Block Grant Program (CDBG) and HOME Investment Partnerships Program (HOME) under the U.S. Department of Housing and Urban Development (HUD). The AAP identifies projects and activities to be implemented by the City during FY 2024, which begins on October 1, 2024, and ends on September 30, 2025. In addition to the entitlement grant, funding allocations also include anticipated program income generated by the City's Revolving Loan Fund as well as prior-year (i.e., carryover) resources from projects that were either cancelled or completed under budget to be applied toward new projects. CDBG funds are used to provide decent housing, suitable living environments, and economic opportunities to principally benefit low- and moderate-income persons. HOME funds are used to foster private sector partnerships with for-profit and non-profit organizations to develop affordable housing.

The City of Clearwater anticipates an estimated \$940,482 in new CDBG funds, \$1,310,415 in CDBG program income, and \$367,097 in prior-year CDBG resources. The City also anticipates an estimated \$400,222 in new HOME funds, \$1,706,038 in HOME program income, and \$2,791,413 in prior-year HOME resources. These funds will be programmed to eligible activities under these grant programs.

PROPOSED PROGRAM YEAR 2024 ANNUAL ACTION PLAN

30-DAY PUBLIC COMMENT PERIOD & PUBLIC HEARINGS

The City of Clearwater is hereby publishing the proposed Annual Action Plan (AAP) for Federal Fiscal Year (FY) 2024 to allocate federal funding from the Community Development Block Grant Program (CDBG) and HOME Investment Partnerships Program (HOME) under the U.S. Department of Housing and Urban Development (HUD). The AAP identifies projects and activities to be implemented by the City during FY 2024, which begins on October 1, 2024, and ends on September 30, 2025. In addition to the entitlement grant, funding allocations also include anticipated program income generated by the City's Revolving Loan Fund as well as prior-year (i.e., carryover) resources from projects that were either cancelled or completed under budget to be applied toward new projects. CDBG funds are used to provide decent housing, suitable living environments, and economic opportunities to principally benefit low- and moderate-income persons. HOME funds are used to foster private sector partnerships with for-profit and non-profit organizations to develop affordable housing.

The City of Clearwater anticipates an estimated \$940,482 in new CDBG funds, \$1,310,415 in CDBG program income, and \$367,097 in prior-year CDBG resources. The City also anticipates an estimated \$400,222 in new HOME funds, \$1,706,038 in HOME program income, and \$2,791,413 in prior-year HOME resources. These funds will be programmed to eligible activities under these grant programs.

The list below captures all proposed projects to be funded with CDBG and HOME resources in FY 2024. Funding for these and other projects are estimated resources only and funding amounts may increase or decrease based upon actual program income, prior-year adjustments, and/or final federal funding allocations. Due to these and other factors, the City of Clearwater reserves the right to add or delete projects and/or adjust funding allocations proportionally.
