- B. The existence of any of the following specific conditions or conduct is hereby declared to constitute a public nuisance:
  - 1. A condition or use that causes a substantial diminution of value of property in the vicinity of the condition or use.
  - 2. Buildings which are abandoned, boarded up for a period of six months, partially destroyed for any period of time, or left for a period of three months in a state of partial construction, provided that any unfinished building or structure which has been under construction six months or more shall be deemed and presumed to have been left for an unreasonably long period of time in the sense of this subsection.
  - 3. Any attractive nuisance dangerous to children in the form of abandoned or broken equipment, accessible artificial bodies of water, excavations, or neglected machinery.
  - 4. Overt blocking of drainage pipes, ditches, channels, and streams, so as to cause flooding and adversely affect surrounding property.

    - a. Any accumulation of weeds, debris, trash, garden trash, junk, untended growth of vegetation, or undergrowth of dead or living vegetation or hazardous swimming pools, or hazardous trees upon any private property, or on any public property without authorization to the extent and manner that such property contains or is likely to contain rodents, reptiles or other vermin, or furnishes a breeding place for flies, mosquitoes, or wood-destroying insects, or otherwise threatens the public health, safety or welfare.
