CITY OF TAMPA FLORIDA STANDARD PURCHASE ORDER TERMS AND CONDITIONS

The Contractor or Vendor (hereinafter Vendor), in accepting this Purchase Order, agrees to and shall be bound by all of the following terms and conditions, unless otherwise agreed to, in writing, by the City of Tampa (hereinafter City):

1. The content and conditions of this purchase order may not be verbally modified. Any changes must be in writing and approved by the Director of Purchasing. If these conditions are not acceptable, please notify the contact listed on the order before shipping the items or delivering services. If prices are higher than specified, do not ship without prior written approval from the Director of Purchasing.
2. All invoices, packing lists and packages must bear this Purchase Order number as printed on the face of the Purchase Order. All invoices must have Vendor's name and address, a unique invoice number, date, description of goods/services purchased, and pricing by line item and unit price, extended price and total amount due that are consistent with the Purchase Order, correct Purchase Order number, and Vendor's remit to address. Improper invoices will be returned to the Vendor. Prices shall include all royalties and costs arising from patents, trademarks, and copyrights in any way involved in the goods/services.
3. Payments will be made upon City's receipt of a proper invoice in accordance with Florida's Local Government Prompt Payment Act, Chapter 218, Part VII, Florida Statutes. Disputed payments shall be resolved in accordance with City of Tampa Executive Order 2003-01.
4. Materials rejected by the City will be returned to the Vendor at the Vendor's risk and expense. The City shall not be liable or otherwise responsible for any re-stocking charges unless prior written approval has been provided by the Director of Purchasing.
5. Cash discounts will be deducted as provided for on the face of this Purchase Order or in accordance with the terms of the Vendor's quotation or bid.
6. Acceptance by the Vendor of this order includes acceptance of all items, conditions, prices, delivery instructions and specifications as shown on the order or attached to or referred to, and which are made a part hereof by reference, as fully and to the same extent as if copied at length herein. In the event of a conflict or discrepancy between this Purchase Order and any referenced contract document, if one exists, the contract document shall govern. The Vendor may not unilaterally modify the terms of this Purchase Order by affixing additional terms to product upon delivery (e.g., attachment or inclusion of standard preprinted forms, product literature, "shrink wrap" terms accompanying or affixed to a product, whether written or electronic) or by incorporating such terms onto the Vendor's order or fiscal forms or other documents forwarded by the Vendor for payment. The City's acceptance of product or processing of documentation on forms furnished by the Vendor for approval or payment shall not constitute acceptance of the proposed modification to the terms and conditions of this Purchase Order.
7. All shipments by the Vendor must be F.O.B Destination, unless otherwise authorized in writing by the Director of Purchasing. Any F.O.B. Shipping Point freight charges shall be prepaid and added to the invoice and with a copy of the freight bill attached. The City will not accept collect shipments. All stated delivery times are of the essence.
8. The City reserves the right to cancel all or part of this Purchase Order prior to acceptance of the goods or services.
9. Vendors are expected to satisfy all purchase orders in one shipment unless otherwise stipulated in the subject solicitation, award, or authorized by the Director of Purchasing in writing.
10. Vendors are not authorized to deliver any goods or services which are not covered by this Purchase Order. The City accepts no responsibility and is not obligated to render payment for purchases that are not covered by a duly-issued purchase order or specifically authorized by the Director of Purchasing.
11. A. Indemnification (Intellectual Property). Whenever the Vendor is required or desires to use any design, device, material or process covered by letters of patent or copyright, the Vendor shall indemnify, defend and save harmless the City, its officers, elected and appointed officials, agents and employees from any and all claims for infringement by reason of the use of any such patented design, tool, material, equipment, or process, to be performed hereunder, and shall indemnify the said City, its officers, agents, and employees

for any costs (including court costs and attorneys' fees), expenses and damages which may be incurred by reason of any infringement at any time during the prosecution or after the completion of the work. The duty to defend is independent and separate from the duty to indemnify, and the duty to defend exists regardless of any ultimate liability of the Vendor, the City and any indemnified party. The provisions herein shall survive acceptance of any goods and/or services and payment therefore by the City; and shall continue in full force and effect so long as the possibility of any liability, claim or loss exists, unless otherwise prohibited by law.

11. B. Indemnification (General). The Vendor shall indemnify, defend and hold harmless the City of Tampa, its officers, elected and appointed officials, and employees from and against any and all liabilities, claims, suits, damages, charges, or expenses (including attorney's fees, whether at trial or appeal) which they may suffer, sustain, incur, or in any way be subjected to by reason or as a result of any act, negligence, or omission on the part of the Vendor, its agents or employees, in the execution or performance of the obligations assumed under or incidental to, the contract awarded under this Purchase Order, except when caused solely by the fault, failure, or negligence of the City, its agents, or employees. The duty to defend is independent and separate from the duty to indemnify, and the duty to defend exists regardless of any ultimate liability of the Vendor, the City and any indemnified party. The provisions herein shall survive acceptance of any goods and/or services and payment therefore by the City, and shall continue in full force and effect so long as the possibility of any liability, claim or loss exists, unless otherwise prohibited by law.

If the above indemnity or defense provisions or any part of the above indemnity or defense provisions are limited by Section 725.06(2)-(3), Florida Statutes or Section 725.08, Florida Statutes then with respect to the part so limited, Vendor agrees to the following: to the maximum extent permitted by Florida Law, Vendor will indemnify and hold harmless the City of Tampa, its officers, elected and officials, and employees from any and all liabilities, damages losses, and costs, including, but not limited to, reasonable attorneys' fee, to the extend caused by the negligence, recklessness, or wrongful conduct of the Vendor and persons employed or utilized by the Vendor in the performance of the contract awarded under this Purchase Order.

If the above indemnity or defense provisions or any part of the above indemnity or defense provisions are limited by Section 725.06(1), Florida Statutes, or any other applicable law, then with respect to the part so limited, the monetary limitation on the extent of the indemnification shall be the greater of the (i) monetary value of the contract awarded under this Purchase Order, (ii) coverage amount of the Commercial General Liability Insurance required by the contract awarded under this Purchase order or (iii) \$1,000,000.00. Otherwise, the obligations of this Section 11.B. will not be limited by the amount of any insurance required to be obtained or maintained under this Purchase Order.
