**Length of Residency - please select one. \*** 6+ years**Do you own or represent a business in Clearwater?** Yes  No**If yes, where is the business located? Do you conduct business with the City?**

---

**Which Boards would you like to apply for?**

Marine Advisory Board: Archived

Not Currently Employed

Employer

National Director of Aviation  
Business Development

Job Title

**Occupation - If retired, enter former occupation.**

Civil Engineer

**Have you served or do you serve on a board in Clearwater?** Yes  No**If yes, please list the name of the board.**

Aviation Advisory Board

**Why do you wish to serve on this board/committee? If seeking reappointment, state why you should be reappointed.**

---

Boating has been a passion of mine for six decades. I have been a supporter of the development on the Clearwater waterfront for many years, and I wish to be more than a vocal supporter for my hometown. I would like to contribute, and this is one way I see to do that.

**What personal qualifications can you bring to this board or committee?**

---

I have been a boater for 60 years. It is a passion of mine, and I feel I am qualified for a position on the Marine Advisory Board by virtue of two of life's experiences: 1. The length of my boating experience where I have both owned boats that have been stored at high and dry facilities, and at Marina's. I have boated on a variety of waters including the Great Lakes, Lake Mead, Adirondack Lakes, and a variety of sections of the intercoastal on the West Coast of Florida. 2. I have many years of experience with leases and contracts, both developing those documents, and enforcing them. Given that the Clearwater Marine Division deals with leases and contracts I feel I bring some knowledge that could be helpful to future discussions regarding the Marina.

# **John Renton, P.E.**

Civil Engineer

Retired

---

## **OVERVIEW:**

Mr. Renton's work career spans more than 55 years, and is highlighted with an unusual variety of management roles, including serving as a senior staff member of three hub airports, the Director of Aviation at several major airport consulting firms, and as a manager of significant military and civilian airport projects. Mr. Renton's experience includes solving a variety of unique issues, and participating on projects that include work in airfield pavement design, runway/taxiway bridge structures, drainage, airfield electrical, Navaids, hydrant fueling systems, geotechnical investigation, terminal design, infrastructure design, baggage facilities, roadway design, transportation centers, and parking structures. Terminal planning, master plans, EA's, EIS's, construction management, and program management have also been accomplished under Mr. Renton's supervision. In addition to Mr. Renton's airport management background, he has also served as Aviation Director with four major consulting firms.

Mr. Renton's military career has paralleled his civilian career. After six years on active duty, Mr. Renton entered the Air Force Reserve, and completed 30 years of service retiring as a full Colonel. From 1987 until retirement in 1997, Mr. Renton served as the Military Assistant to the Deputy Secretary of the Air Force for Installations. In that role, Col. Renton was assigned responsibility for the development of Air Base Operability policy and execution, the review of Air Force policy on facility and construction, and for the planning and assessment of facility needs for the Reserve Forces mission at numerous bases identified for closure in the Base Realignment and Closure Process. Col. Renton has commanded an Air Force combat engineer squadron and has accomplished numerous projects overseas.
