Project experience provided in TLC Diversified's Prequalification Package includes similar previously completed projects. There were written references provided by three (3) municipalities in their Prequalification Package and all with favorable responses. TLC Diversified, Inc. is a Certified General Contractor in the State of Florida with an active license.

Based on TLC Diversified's Pre-Qualification, the City's review of their Bid, references submitted, and Tetra Tech's review of the Bid Form; Tetra Tech recommends the City award this project to TLC Diversified, Inc.

The City should verify that all of the submitted documents meet the City's requirements for the project.

Please do not hesitate to contact me if you have any questions.
