Terms and Conditions:

Unless otherwise agreed to in writing by Trihedral, the licensing of VTScada software is governed exclusively in accordance with the VTScada Software License Agreement dated July 2, 2025, available at https://www.vtscada.com/downloads/eula/VTScada_Software_License_Agreement_R3_July_2_2025.pdf.

VTScada support and upgrade pricing are in accordance with the previously accepted license agreement terms and any differing purchase order terms proposed will not be accepted without written agreement by Trihedral.

A SupportPlus renewal quote contains legacy pricing that is contingent upon the receipt of a purchase order before the quote expiry date (as agreed to under the VTScada license terms of the original license). Purchase orders received with an alteration of previously accepted terms, or after the quote expiry date, will require a re-quote of the renewal price at current pricing.
