BOARD QUESTIONNAIRE

1. What is your understanding of the board's duties and responsibilities?

Working within the budget, the board is a liaison to the community, keeps current on projects and activities, and works to maintain the best parks and recreational facilities in the state.

2. Have you ever observed a board meeting either in person or on the City's TV station C-View?

yes, on TV - council meetings, municipal code enforcement, and environmental board

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

I have provided consulting services and project management to companies and governmental organizations for several decades. As a consultant, I have to dive in, learn, listen, and then help and guide.

4. Why do you want to serve on this Board?

Our parks and recreational facilities are as important to Clearwater as our beaches. I love that I can walk in the parks and see so much wildlife, children playing in the playgrounds and others in the tennis courts and fields. The REC centers are first rate. I want to be part of the group of people who keep them the place where I and so many others look forward to playing and spending free time.
