Have you served or do you serve on a board in Clearwater?

☐ Yes ☒ No

If yes, please list the name of the board.

**Why do you wish to serve on this board/committee? If seeking reappointment, state why you should be reappointed.**

---

I have lived in Clearwater for six years, and I want to serve on the Neighborhood and Affordable Housing Advisory Board because housing stability is foundational to a safe, thriving community. I am motivated by the board's mission to improve the physical environment and quality of life for low- to moderate-income residents and to provide practical recommendations to the City Manager and City Council

**What personal qualifications can you bring to this board or committee?**

---

Professionally, I bring seven years of experience as a Business Analyst at Curant Health and a SAFe Product Owner/Product Manager (POPM) certification. I am skilled at analyzing data and policy impacts, mapping processes end-to-end, identifying risks and root causes, and translating complex information into clear, decision-ready recommendations. I am also comfortable working with diverse stakeholders, documenting requirements, and tracking action items to completion—skills that support effective governance and follow-through. Personally, I bring long-term familiarity with Clearwater as a six-year resident, strong preparation and reliability (reviewing materials in advance and arriving ready to contribute), and a community-centered perspective informed by my household's connection to Pinellas County Schools through my wife's work as an English teacher. I can help the board evaluate ideas with both rigor and practicality, with a focus on outcomes for residents and responsible stewardship of public resources.

**List Community Activities**

---

I stay involved in the community primarily through service at my church. I also volunteer at Curtis Fundamental as a Level 2 volunteer and occasionally help with school activities and events. In addition, I support my wife at Pinellas County Schools events, helping with school-community outreach activities when needed.
