Jim Millspaugh, PAI performed appraisals of the Land on behalf of the Seller pursuant to City of Clearwater Charter requirements.

5. PURPOSE

The Council of the City of Clearwater, Florida ("**Council**") determined its desire to convey the Land to Buyer pursuant to the approval of Ordinance 9597-22.

6. TIME FOR ACCEPTANCE APPROVALS

At its meeting of August 4, 2022, Council authorized execution of this Contract by the City Manager.

The Parties agree this Contract is expressly contingent on the approval of the Referendum amending the City Charter authorized to be placed on the ballot by Ordinance 9597-22 as approved by Council on August 4, 2022 (the "**Referendum**"). In the event the Referendum does not receive approval at the general election held November 8, 2022, this Contract and all responsibilities of the parties herein shall be of no further effect.

7. TITLE

Seller warrants authority to and legal capacity to and shall convey marketable title to the Land by Special Warranty Deed, subject only to matters contained in Paragraph 8 of this Contract. Otherwise, title shall be free of all liens and encumbrances of record or known to Seller, but subject only to the Permitted Exceptions; and at Closing no violation of the foregoing exists.

8. TITLE EVIDENCE

- A. Seller shall, at Seller's expense and no later than December 9, 2022, deliver to Buyer a title insurance commitment issued by a Florida licensed title insurer ("**Title Company**") agreeing to liens, encumbrances, exceptions or qualifications set forth in this Contract, and those which shall be discharged by Seller at or before Closing ("**Title Commitment**"). The Title Commitment shall agree to issue to Buyer, upon the Closing of this transaction, a title insurance policy in the full amount of the Purchase Price, without exception for any matters other than the Permitted Exceptions as hereinafter defined. In addition, Seller agrees to provide Title Company with all documentation as may be necessary or required related to the approval of the Referendum.
- B. If the Title Commitment and/or Survey (defined below) reveals any defects or any matters that are unacceptable to Buyer (a "**Defect**"), Buyer shall notify Seller in writing of such Defects within twenty (20) days after Buyer's receipt of the Title Commitment and/or the Survey, whichever is later. Notwithstanding anything to the contrary, delivery of the Title Commitment and any updates thereto to the Seller, shall be deemed Buyer's written notice of Defects. Seller shall, at its sole cost and expense, promptly undertake to eliminate all such Defects to the reasonable satisfaction of Buyer and the Title Company. Seller agrees to use its best efforts to satisfy promptly any such Defects, but in the event Seller is unable within the exercise of due diligence to satisfy said Defects within sixty (60) days after said notice, Buyer may, at its option, (a) accept title subject to the Defects raised by Buyer in which event said Defects shall be deemed to be waived for all purposes or (b) cancel this Contract upon written notice to Seller and this Contract shall be of no further force and effect. It is expressly agreed that Buyer, in its sole discretion, may elect to accept or reject any proposed affirmative title insurance as a satisfaction of a Defect. It is further specifically understood that Buyer hereby objects to and will require the deletion of all standard exceptions including, without limitation:
 - i. rights or claims of parties in possession not shown by public records;
 - ii. easements or claims of easements not shown by public records;
 - iii. discrepancies, conflicts in boundary lines, shortage in area, encroachments, and any items in which a correct survey and

inspection of the Land would disclose and which are not shown by public records;

- iv. any lien, or right to a lien, for services, labor or material heretofore or hereafter furnished, imposed by law and not shown by public records; and
- v. defects and liens first appearing subsequent to the effective date of the Title Commitment but prior to the Closing Date.

Notwithstanding the foregoing, Seller shall take all steps and spend any and all sums required to satisfy and effect the removal prior to closing of any title matters other than the Permitted Exceptions if such title matters are liquidated in amount or if caused by Seller. In the event that a lien, claim, or cause of action has been or shall be asserted related to any matter arising prior to Closing, Seller shall, at its sole cost and expense, immediately discharge or bond the discharge of same and defend against any claim or cause of action related thereto.

Any licenses or easements through adjoining private land for drainage, ingress, egress, parking, vehicular and pedestrian passage and the installation, operation and maintenance of utilities shall be pursuant to recorded agreements satisfactory to Buyer in its sole discretion, and the easement areas created thereby shall be insured by the Title Company as part of the Land insured under the title policy issued at the Closing Date.

C. The Land shall be conveyed to Buyer subject to no liens, charges, encumbrances, easements, restrictions, exceptions, reservations or other matters of any kind or character other than the following exceptions (collectively, the **"Permitted Exceptions"**):

- i. Ad valorem taxes and assessments for the year of Closing and subsequent years, provided the same are not then due and payable; and
- ii. Zoning ordinances, provided the same permit the existing and Buyer's contemplated utilization of the Land pursuant to those uses approved in the Development Agreement.
- iii. All terms contained within that certain Development Agreement related to the Land, recorded in the Official Records of Pinellas County, and more particularly described in Section 9 of this Contract.
- iv. The terms of the Deed Restriction as provided in Section 11.

9. DEVELOPMENT AGREEMENT

The Land shall be encumbered by that certain Development Agreement between the City of Clearwater dated August 4, 2022 and recorded in Book _____, Pages _____ of the Official Records of Pinellas County, Florida. ("**Development Agreement**").

Execution of the Development Agreement shall occur simultaneously with the execution of this Contract. The Parties acknowledge that the Development Agreement also includes additional real property that is not subject to this Contract ("**Harborview Site**"), which is described on **Exhibit B** hereto. In the event the Development Agreement is terminated prior to Closing as to the Land, then this Contract shall be deemed automatically terminated and all responsibilities of the parties herein shall be of no further effect. Failure to obtain approval of the Development Agreement shall not be deemed a breach of this Contract by either Party hereto.

A default under the Development Agreement with respect to the Land shall not be deemed a default with respect to the Harborview Site and a default under the Development Agreement with respect to Harborview Site shall not be deemed a default by the Buyer or Seller with respect to the Land. For the avoidance of doubt, the Parties acknowledge and agree that closing under this Contract is not conditioned upon closing on Harborview Site pursuant to the Contract of Purchase of Real Property By The City of Clearwater, Florida between Buyer and the City, dated as of the date hereof (the "**Harborview Site Contract**") and a closing under the Harborview Site Contract is not a condition to closing under this Contract. The parties further acknowledge and agree that a default under this Contract shall not be deemed a default under the Harborview Site Contract and default under the Harborview Site Contract shall not be deemed a default under this Contract.

10. SURVEY

Seller shall, prior to the expiration of the Inspection Period, deliver a survey of the Land to Buyer ("**Survey**"), as prepared by a registered Florida land surveyor ("**Surveyor**"). If the Survey shows any encroachment on the Land, or that improvements located on the Land encroach on setback lines, easements, lands of others, or violate any restrictions, contract covenants or applicable governmental regulation, or any other unacceptable matter, including any issue with Buyer's intended use of the Land, the same shall constitute a Defect. Additionally, Seller agrees to assign or otherwise transfer the Survey to Buyer and otherwise provide direction to the Surveyor so that Buyer can modify the Survey and otherwise continue to utilize the Survey and Surveyor, at Buyer's risk.

In consideration for the Seller providing this Survey, the Buyer agrees to hold Seller harmless as to the content, completeness, and accuracy of the information contained in the Survey ("**Hold Harmless**"); however, the Hold Harmless shall not apply to the plat as more particularly described in the Development Agreement.

11. DEED RESTRICTION

Buyer and Seller agree that a paramount purpose of this Contract and associated Development Agreement is to stimulate economic activity. For this reason, the Deed shall include a restriction that Buyer will not deed the Land or any portion thereof to any not-for-profit entity. For the avoidance of doubt, this restriction shall survive the expiration of the Development Agreement.

12. INTENTIONALLY DELETED

13. CLOSING PLACE AND DATE

The Seller shall designate the closing agent ("**Closing Agent**").

The Buyer and Seller acknowledge and agree that time shall be of the essence with respect to the performance by the Buyer of its obligation to purchase the Land, pay the Purchase Price, and otherwise consummate the transactions contemplated in this Contract by the Closing Date. For that reason, if the Closing does not occur by the Closing Date except in the case of Event of Default on the part of Seller, the Seller shall have the unilateral right, in its sole discretion, to terminate the Contract without penalty if Closing does not occur on or before the Closing Date.

Notwithstanding the previous paragraph, if the Closing does not occur by the Closing Date, and provided that Buyer is using Commercially Reasonable Efforts (as defined in the Development Agreement) to obtain approval for any necessary permits or other Approvals, Buyer shall have the option to extend Closing Date for an additional ninety (90) days, by delivering written notice thereof to Seller prior to the expiration of the Closing Date, and submitting payment to the Seller in the sum of Two Hundred Thousand Dollars (\$200,000.00) ("**Extension Fee**"), which Extension Fee shall be nonrefundable and not applicable towards the Purchase Price except in the case of an Event of Default on the part of the Seller.

15. CLOSING EXPENSES

Pursuant to Chapter 201.24, Florida Statutes, Seller is exempt from paying documentary stamps on the deed. Buyer shall pay the cost for documentary stamps if applied to this transaction. Recordation of the deed shall be paid by Buyer. Seller shall pay the costs of recording any corrective instruments, the Survey, and title insurance as provided in this Contract. All other closing costs shall be apportioned in the manner customary for commercial real estate transactions in Pinellas County, Florida.

16. PRORATIONS; CREDITS

Closing Agent shall collect all ad valorem taxes uncollected but due through day prior to Closing Date and deliver same to the Pinellas County Tax Collector or other applicable party. If the amount of taxes and assessments for the current year cannot be ascertained, rates for the previous year shall be used with due allowance being made for improvements and exemptions. Assessments for any improvements that are substantially complete at time of closing shall be paid in full by Seller. Additionally, the Purchase Price shall be subject to any applicable prorations, credits, or offsets as provided for herein or in the Development Agreement.

17. OCCUPANCY

Seller warrants that there are no parties in occupancy other than the Seller, or as otherwise disclosed herein. Seller agrees to deliver occupancy of the Land at time of Closing Date unless otherwise stated herein. At Closing, Buyer agrees to accept the Property in its existing conditions unless otherwise stated herein or in separate writing. The Land shall be delivered free and clear of all occupants, licensees or other users, except as provided for in this Contract.

Prior to entering the Land or performing any intrusive soil or groundwater sampling on the Land, Buyer shall deliver to Seller a certificate of insurance evidencing that Buyer's consultant has in place and shall maintain during the pendency of work on the Land commercial general liability insurance with limits of at least One Million Dollars (\$1,000,000) per occurrence and Two Million Dollars (\$2,000,000) in the aggregate for bodily injury or death and property damage insurance including coverage for contractual liability covering any accident arising in connection with the presence of Buyer's consultant, or its subcontractors, agents and representatives on the Land, which shall name Seller as additional insureds and is written by a reputable insurance company, provided, however, that in no event shall Buyer be liable for any pre-existing conditions. Any damage to the Land caused by Buyer or its consultants in conducting any such environmental

Seller will ensure that throughout the Inspection Period, any existing utilities services required for Buyer's inspections and investigations shall be maintained and not disconnected. Buyer shall not engage in any activity that could result in a mechanics lien being filed against the Land without Seller's prior written consent. In the alternative, at the Buyer's sole discretion, if Seller offers to repair or otherwise remedy such conditions to Buyer's satisfaction, Buyer may accept such offer. If Buyer terminates this Contract, and this transaction does not close, Buyer agrees, at Buyer's expense, to repair all damages to the Land resulting from the inspections and investigations and return the Land to its present condition.

Buyer’s obligations under this Contract are contingent upon Buyer obtaining, no later than the Closing Date, financing to be secured by a first mortgage and lien against the Land in an amount and with terms reasonably acceptable to Buyer (“**Financing Contingency**”). If, despite Buyer’s commercially reasonable efforts, Buyer is unable to obtain financing in an amount and with terms reasonably acceptable to Buyer on or prior to the Closing Date, Buyer shall have the right to terminate this Contract by delivering written notice to Seller on or prior to the Closing Date. Thereafter, neither Party to this Contract shall have any further rights or liabilities under this Contract except with respect to those provisions that specifically provide that they survive the termination of this Contract.

As used in this Contract, the term “final” will mean that all appeal periods will have expired without an appeal taken therefrom or, in the event any appeal is taken, a judgment will have been entered sustaining the Approvals and all appeal periods from such judgment will have expired. Except as provided in the Development Agreement, all costs and expenses associated with obtaining the Approvals and complying therewith will be paid solely by Buyer, except for the Preliminary and Final Plat Approval, which shall be provided by the Seller, and, subject to the terms and conditions of the Development Agreement. delay in the Approvals (including delays in the granting of entitlements or execution of agreements) to the extent that such delay is actually caused by any unlawful or unreasonable act or failure to act by the City or any of its employees, public officials, officers or committees/agencies (collectively, the “**Government**”). “**City**” refers to the City of Clearwater, Florida, the Seller in this Contract.

If the Buyer reasonably determines that a Force Majeure Event or Governmental Delay is preventing the Buyer from timely closing or another deadline in the Contract, the procedure for tolling any time periods in this Contract shall follow the same procedures described in Section 9.16, Section 9.17, and Section 9.18 of the Development Agreement.
