Good afternoon Mayor Cretekos,

I understand that there may be a vacant council spot. I am extremely interested in serving the citizens of Clearwater, and I believe I could add positively to the council. While running a few years ago, I stood on my hope of being able to be a voice for a part of the county that does not normally have a voice. My current position as pastor of The St. Matthew MB Church, and affiliations with other civic organizations in the community would allow me to be a liaison between the city and the community.

I would welcome the opportunity to have a candid conversation with you about this, and about how we can continue to make Clearwater a great place to live, work, and play!

Best,  
K.M.

P.S. My cell phone is (727) 688-0068.
