SUBJECT: Third Quarter budget review - amended City Manager's annual budget report

DATE: September 2, 2025

Attached is the third quarter budget review in accordance with the City Code of Ordinances.

This report is based on the first nine months of activity in the current fiscal year (October 2024 through June 2025). Contained within are comments on major variances and documentation of proposed amendments.

Significant Fund amendments are outlined below:

General Fund

General Fund revenue and expenditure amendments reflect a net increase of \$402,985.

The General Fund expenditure amendments at third quarter include an increase of \$70,000 to the City Attorney's Office for unforeseen costs (vacation sellback as allowed by City policy, new software needs, and outside counsel costs for affirmative litigation relating to Coachman Park); an increase of \$382,985 to Police and Fire supplemental pension to bring the budget in line with actual revenues and expenditures; and increase of \$450,000 to Fire Department personnel costs to cover emergency overtime costs from storm response and retirement payouts of long-term employees; and a decrease of \$500,000 to Parks and Recreation to reduce Pier 60 operating costs due to closure from storm damage and lost revenue.

At third quarter various revenues are amended to bring the budget in line with anticipated receipts for the year. This includes reductions to utility and franchise fee revenues, reduced sales tax revenue, and a reduction to Pier 60 revenues due to closure from storm damage. These decreases are offset by increases to various revenues including insurance recovery for lost revenues at Pier 60, increases to permit fees, state revenue sharing, EMS tax, red light camera fines, and dividends from the Gas system. Adjusted for expenditure increases noted above, this results in a net revenue surplus of \$705,453 which reduces the use of reserves previously allocated this year.

General Fund Reserves: In order to ensure adequate reserves, the City Council's policy reflects that General Fund unappropriated fund reserves of 8.5% of the City's budgeted General Fund expenditures must be maintained as a reserve to guard against future emergencies.

Estimated General Fund reserves at third quarter are approximately \$60.9 million, or 27.2% of the proposed fiscal year 2025/26 General Fund expenditure budget, exceeding our minimum reserve requirement by \$41.9 million.

Significant amendments to other city operating funds are noted as follows:

Gas Fund

Amendments to Gas Fund expenditures reflect an increase of \$1,264,959 to interfund transfers which represents the increase in the gas dividend payment to the General Fund. In addition, Gas revenues are amended by an increase of \$725,000 for sale of property in Pasco County, and a decrease of \$5,000,000 in PGA revenues due to market adjustments in the rate. An allocation of \$5,539,959 of Gas Fund reserves is necessary to offset the net of revenue and expenditure amendments.

Marine Fund

Amendments to Marine Fund expenditures reflect a decrease of \$2,000,000 to cost of goods sold (fuel purchases) offset by a revenue amendment decreasing fuel sales by \$2,000,000 due to closure of the Marina for construction.

Parking Fund

Amendments to Parking Fund revenues reflect a decrease of \$1,000,000 to parking revenues due to closures of beach parking lots during Hurricane Helene recovery. This reduction is offset by an allocation from fund reserves necessary to balance the budget.

Capital Improvement Program

Third quarter amendments to the capital improvement program reflect a net increase of \$6,048,461. Amendments include the following increases previously approved by the Council: \$2,670,554 in lease purchase revenue to the Motorized Equipment Replacement project; \$1,523,634 in lease purchase revenue to the Motorized Equipment Purchase project; and \$377,788 in grant revenue from FDOT and \$94,447 in reimbursement revenue for the Apron Relayment project.

Project activity not previously approved by the Council is summarized on page 19. Significant amendments include an increase of \$193,642 in property owner share revenues in the Pinellas New Mains and Pasco Line Relocation projects; a decrease of \$25,772 in lease purchase budget to close the P&R Vehicle Additions project; an increase of \$400,000 in the Arts and Cultural Affairs project representing art funding transferred from capital projects; and an increase of \$800,000 transferred from the General Fund to create the Landscape Renovation and Repairs project.

Special Program Fund

The Special Program Fund reflects a net budget increase of \$1,658,772 at third quarter. Significant amendments include \$54,283 in public safety grant/governmental revenues; \$421,714 in contractual service revenue for police extra duty; \$482,503 from the Pinellas County School Board for School Resource Officers for the 2025/26 school year; \$87,581 in fines and court proceeds for public safety programs and the tree replacement program; \$47,717 in special events revenues from the Sea Blues festival; and \$532,183 transferred between existing special programs.

Amendment Description:

Gas Fund Revenues: 1,264,959

Third quarter amendments to Gas Fund revenues reflect a net increase of \$1,264,959.00. Amendments include: 1) an increase of \$725,000.00 to surplus land sales representing revenues received from the sale of vacant property at 7240 US Highway 19 N, as approved by the Council on June 18, 2025; 2) a decrease to purchased gas adjustment (PGA) revenues by \$5,000,000.00 (the PGA portion of gas rates is directly tied to the recovery of commodity costs and reflects fluctuation in the natural gas market); and 3) an allocation of \$5,539,959.00 from Gas Fund reserves necessary to offset revenue reductions and balance the budget.

Gas Fund Expenditures: 1,264,959

Third quarter amendments to Gas Fund expenditures reflect an increase of \$1,264,959.00 to interfund transfer out. A portion of this increase is offset by excess revenues with the remainder allocated from fund reserves. This will bring expenditures in line with the actual Gas Dividend payment to the General Fund.
