TITLE

Award Of Bid No. 21-B-727, Yard Waste, Class III Waste And Construction Demolition Debris Disposal, To Angelo's Recycled Materials And Consolidated Resource Recovery, Inc. For A Three (3) Year Period In The Estimated Amount of \$900,000 Per Year

SUMMARY:

The Award of Bid No. 21-B-727 is to two (2) separate vendors effective October 1, 2021 to September 30, 2024 for a three (3) year period pursuant to the terms and conditions contained in the bid document.

Both companies that submitted bids (Angel's Recycled Materials and Consolidated Resource Recovery, Inc.) were selected in order to provide flexibility and competitive pricing to the City based on service being provided.

The use of both vendors provides multiple disposal points within or near the City limits for Yard Waste, Class III Waste and Construction Demolition Debris, resulting in efficiency of operations in the Solid Waste Division and reduction in fixed expenses such as disposal costs. An annual purchase order secures the prices for three (3) years, but does not guarantee either vendor a specific quantity.

In FY 2020, \$855,600 was spent on disposal of Yard Waste, Class III Waste and Construction Demolition Debris Disposal.

The City of Dunedin, City of Clearwater and the City of Treasure Island are participants on this bid, but are responsible for their own disposal costs.

This bid contains a fiscal non-funding clause.
