DEVELOPMENT AGREEMENT APPLICATION

SUBMITTAL PACKAGE CHECKLIST

IN ADDITION TO THE COMPLETED DEVELOPMENT AGREEMENT APPLICATION, ALL DEVELOPMENT AGREEMENT APPLICATIONS SHALL INCLUDE AN INITIAL SUBMITTAL PACKAGE CONSISTING OF THE FOLLOWING INFORMATION AND/OR PLANS:

- A conceptual site plan that depicts the building footprint, off-street parking, landscape areas, and ingress and egress points.
- Architectural elevations for all sides of the building.
- A massing study that illustrates the building form (including setbacks) on all sides of the building.
- A transportation analysis consistent with the Metropolitan Planning Organization's (MPO) countywide approach to the application of concurrency management for transportation facilities, that is consistent with the requirements set forth in *Beach by Design*.
- A signed and sealed survey of the property prepared by a registered land surveyor including the location of the property, dimensions, acreage.
- A proposed development agreement which shall contain, at a minimum, the following information:
 - A legal description of the land subject to the development agreement.
 - The names of all persons having legal or equitable ownership of the land.
 - The duration of the development agreement, which shall not exceed ten (10) years.
 - The development uses proposed for the land, including population densities, building intensities and building height.
 - A description of the public facilities and services that will serve the development, including who shall provide such public facilities and services; the date any new public facilities and services, if needed, will be constructed; who shall bear the expense of construction of any new public facilities and services; and a schedule to assure that the public facilities and services are available concurrent with the impacts of the development. The development agreement shall provide for a cashier's check, a payment and performance bond or letter of credit in the amount of 115% of the estimated cost of the public facilities and services, to be deposited with the city to secure construction of any new public facilities and services required to be constructed by the development agreement. The development agreement shall provide that such construction shall be completed prior to the issuance of any certificate of occupancy.
 - A description of any reservation or dedication of land for public purposes.
 - A description of all local development approvals approved or needed to be approved for the development.
 - A finding that the development proposal is consistent with the Comprehensive Plan and the Community Development Code. Additionally, a finding that the requirements for concurrency as set forth in Article 4, Division 10, Community Development Code, have been satisfied.
 - A description of any conditions, terms, restrictions or other requirements determined to be necessary by the City Council for the public health, safety or welfare of the citizens of the City of Clearwater. Such conditions, terms, restrictions or other requirements may be supplemental to requirements in existing codes or ordinances of the City.
 - A statement indicating that the failure of the development agreement to address a particular permit, condition, term or restriction shall not relieve the developer of the necessity of complying with the law governing said permitting requirements, conditions, terms or restrictions.
 - The development agreement may provide, in the discretion of the City Council, that the entire development or any phase thereof be commenced or be completed within a specific period of time. The development agreement may provide for liquidated damages, the denial of future development approvals, the termination of the development agreement, or the withholding of certificates of occupancy for the failure of the developer to comply with any such deadline.
 - A statement that the burdens of the development agreement shall be binding upon, and the benefits of the development agreement shall inure to, all successors in interest to the parties to the development agreement.
 - All development agreements shall specifically state that subsequently adopted ordinances and codes of the city which are of general application not governing the development of land shall be applicable to the lands subject to the development agreement, and that such modifications are specifically anticipated in the development agreement.
