## Questionnaire

**Question 1.** What is your understanding of the duties and responsibilities of the Board(s)?

**Answer 1. \*** I understand the duties and responsibilities of the Board(s) to be as follows:

Regarding the Sister Cities:

I will attend meetings, listen to the ideas from others and give input. This will include but is not limited to fundraising brainstorming. Once the Japanese guests arrive I will be a friendly face, and an inclusive element for them. A ready made friend in waiting of sorts.

Regarding the library:

I will attend meetings, listen to the ideas from others and give input. I will work as part of a team to help decide activities, purchases, and community events that are relevant.

**Question 2.** Have you ever observed a board meeting either in person or on C-View, the City's TV station?

**Answer 2. \***  Yes  No

**Question 3.** What background, experience, or education qualifies you to serve on the Board(s)?

**Answer 3. \*** As a resident of Clearwater for 7 years I have the unique vantage point of being an emerging young adult. I have attended local schools from elementary through college at SPC honors college (dual enrollment) now. I am directly descended from 4 cultures and two races. Asian, African, Spaniard and German. I speak functional Spanish. Thus, I am sensitive and respectful of cultural nuances. As an advocate for literacy I am an avid reader. Having had the opportunity to befriend people from different cultures, languages, ages, and religions both here and abroad I am able to give back and serve my community utilizing my education and experiences. As a student ambassador in high school, team leader in Junior Achievement Stem Tech with SPC, a member of the National Honor Society, and a student in SPC Honors College I understand how to contribute to be a positive team player.

**Question 4.** Why do you want to serve on the Board(s)?

**Answer 4. \*** Sister Cities:

I love Clearwater and appreciate the city and its people. As such I have been looking for opportunities to volunteer in a greater capacity. At the same time I have Japanese friends, I enjoy the culture, food, language, fashion, shows, and literature. Having a servant's heart this seems like the logical next step.

Library:

Having some of my happiest memories involving my favorite books I am in love with reading. Going to the library has been a central theme in my life. Thus, being a part of the board with like-minded individuals to serve my peers is an exciting prospect.
